Legends Robert Littell

Robert Littell's "Legends" is a pleasantly offbeat spy novel. It aspires to a degree of depth by attempting to investigate psychological effects of assuming different identities for different undercover assignments, but despite the pretentious subtitle "A novel of dissimulation", it does not quite work.

Legends: A Novel of Dissimulation by Robert Littell

Robert Littell is the master of the spy genre (in the case of Legends, perhaps the correct word is "spies," though as you'll see, perhaps not). In fact, Littell's reach is far greater than the usual story of international intrigue (with, almost always, romance thrown in) and his grasp far exceeds his reach.

Robert Littell is the undisputed master of American spy fiction, hailed for his profound grasp of the world of international espionage. His previous novel, The Company, an international bestseller, was praised as "one of the best spy novels ever written" (Chicago Tribune). For his new novel, Legends, Littell focuses on the life of one agent caught in a "wilderness of mirrors" where both remembering and forgetting his past are deadly options.
