Christmas Eve in New York, but for ex-military bodyguard Ryan Lock it's business as usual. His task: to protect the head of one of America's most powerful corporations. But when a bloody massacre leaves bodies littering the streets of midtown Manhattan, Lock's hunt for the killers turns into an explosive game of cat and mouse. As the clock ticks towards midnight on New Year's Eve, and a female suicide bomber stalks the island of Manhattan, Lock realizes that not only is his own life in terrible danger but so are the lives of millions of others... The winner of the 2018 International Thriller Writers Award returns with his latest explosive thriller featuring ex-military bodyguard Ryan Lock and his business partner, retired US Marine, Ty Johnson. When the daughter of a Chinese billionaire is kidnapped from her mansion in Arcadia, California, Ryan and Ty find themselves caught in the middle of a vicious standoff. Emily Yan is a Chinese 'parachute kid', one of thousands of children sent to study in America by their ultra-wealthy parents. Living in a multi-million dollar mansion in Arcadia, California with her hard-partying cousin Charlie, it's not long before their ostentatious displays of wealth attract the wrong sort of attention in the form of some

MS-13 gang members. But someone else has been looking for Emily, a shadowy figure from back home known only as The Red Tiger. Two very different worlds collide in this explosive new thriller from Sean Black as Ryan Lock and his business partner, wise-cracking US Marine Ty Johnson, set out to save Emily from a violent tug of war between two deadly forces; the brutal members of America's most dangerous gang, and an equally determined Chinese enforcer called the Red Tiger. For fans of Vince Flynn, Jack Reacher, Brad Thor, James Patterson, Lee Child, Alex Cross, Nelson DeMille, David Baldacci, John Sandford, Harlan Coben, Robert Crais, Mark Greaney, Tom Clancy, Gregg Hurwitz, Dan Brown, John Grisham, Simon Kernick, Joseph Finder.

In the latest action-packed thriller from the award-winning novelist who writes with 'the pace of Lee Child, and the heart of Harlan Coben,' ex-military bodyguard Ryan Lock plunges into the nightmare world of sex trafficking. When fourteen-year-old Kristin Miller goes missing from her quiet home in the San Fernando Valley, her desperate family turn to ex-military bodyguard, Ryan Lock. Along with his partner, Marine Corps veteran Ty Johnson, Lock sets out on a journey that takes him deep into a dark, disturbing and violent world, where young women are selected, groomed and then exploited by ruthless predators. With law enforcement's hands tied, Lock dispenses his own brand of street justice as he tracks down Kristin, taking revenge on anyone who stands in his way. Can he get to her before it's too late?

Adult movie actress Raven Lane is one of the most lusted after women in America. But when a headless corpse turns up in the trunk of her car, she realises that fame carries a terrible price. Fearing for her life, and with the LAPD seemingly unable to protect her, Raven turns to elite bodyguard, Ryan Lock for help.

Exhausted by years of combat, and haunted by the ghosts of his past, nothing is going to stop special forces veteran Byron Tibor returning home to the woman he loves. From the blood-soaked mountains of the Hindu Kush to the glittering lights of Manhattan, via the dark underbelly of the Las Vegas Strip, Post is the story of one man's struggle to retain his humanity - before it's too late.

When fourteen-year-old Alex is framed for murder, he becomes an inmate in the Furnace Penitentiary, where brutal inmates and sadistic guards reign, boys who disappear in the middle of the night sometimes return weirdly altered, and escape might just be possible.

His mission should have been straightforward: to keep one man alive for one week. ONE PRISONER Super-intelligent and brutally violent, Frank 'Reaper' Hays is a leading member of America's most powerful white supremacists prison gang. ONE BODYGUARD Ex-military bodyguard Ryan Lock has been hired to protect him.

A deadly political rivalry that ended in two brutal executions...An intricate love triangle that altered the course of history...A religious revolution that changed the world... THE TREASURE... For two thousand years, an undiscovered treasure rested in the rocky wilds of the French Pyrenees. A series of scrolls written in the first century by Mary Magdalene, these startling documents hold the power to redefine the events and characters of the New Testament. Protected by supernatural forces, the priceless cache can only be uncovered by a special seeker, one who has been chosen for the task by divine providence - The Expected One. THE CHOSEN ONE... When journalist Maureen Paschal begins the research for a new book, she has no idea that she is stepping into an ancient mystery so complex and dangerous that thousands of people have killed and died for it. As a long buried family scandal comes to light, she can no longer deny her own role in a deadly drama of epic international consequences.

Tyrone "Ty" Johnson has made the transition from the US Marine Corps to a successful career as a highly paid private security specialist. But not all of his former comrades have been so lucky. When the news of an armed siege at a local emergency room flashes on screen, Ty recognizes the gunman as one of his old Marine buddies, Pete Green. He knows he has to move fast if he's to save his friend's life.

Author's Note: United States Marine Ty Johnson appeared first in my debut novel, Lockdown. Six foot four inches of pure muscle and smartass attitude, his loyalty to Lock has made him a firm favorite with readers. Because of the amount of email I receive from readers about Ty, I thought it was time to test the waters and give him his own story. If The Deep Lonely does well enough, there may even be a Ty Johnson novel. BONUS: As a thank you to readers, at the end of this book is a link to a download page where, by signing up to my mailing list, you can get a free ebook copy of the seventh Ryan Lock novel, The Edge of Alone, which was nominated for the 2016 International Thriller Writers Award.
