Which doesn't mean it's not true. It perfectly describes the relationship of King Henry VII of England - father of the future Henry VIII, grandfather of Queen Elizabeth I - and his mother, Margaret Beaufort. History Extra tells us that Margaret was but nine years old when she was introduced to court. She had her own royal blood, of a sort; unfortunately, she came by it illegitimately, and although later legitimized, the family was barred from ascending to the throne.
