A colouring book to keep and treasure forever. The wonderful illustrations from Millie Marotta's Tropical Wonderland are reproduced here on the thickest paper yet (180 gsm) on one side only, including 13 gatefolds and with five additional prints that can be pulled out of an envelope at the back of the book. These prints are ideal for framing. This is an edition for all Millie fans and even those new to her work who want something special to record their creative colouring and drawing or indeed just a beautiful collection of illustrations. The book is linen bound with screenprinted illustrations and foiling that add a new dimension to Millie's work. It is, quite simply, a beautiful book.

Millie Marotta's art celebrates the natural world, with remarkable animals, plants, and landscapes. In response, colorists everywhere have devised dazzling palettes, inventive techniques, and imaginative ideas to bring her illustrations to life. This special collection honors that

creative community, gathering the drawings from Millie's five previous coloring books that inspired them most. From a mighty African elephant to the tiny field mouse, every image here will encourage beautiful new interpretations.

Enter Millie Marotta's captivating animal kingdom, filled with stunning drawings. Add your personal touch to these images filled with a wide range of favorite animals, including majestic elephants, flashy flamingos, tortoises with elaborate shells, delicate dragonflies, fantastic fish, and roosters with plumage to fill in.

From New York Times bestselling author Millie Marotta comes this gorgeous celebration of the animal kingdom. A Wild Child's Guide to Endangered Animals highlights the plight of 43 endangered species from around the world, including rare and well-known animals living in freshwater, oceans, forests, mountains, tundras, deserts, grasslands, and wetlands. Vivid illustrations bring caribous, axolotls, giraffes, agami herons, and many more to life on these rich and varied pages. Illuminating text relays the story of each species, from how they live and why they are endangered to what is being done about it. Complete with a map detailing where each species can still be found, this visually rich, timely, informative book raises awareness in the most spectacular way.

The letters page of Old Git magazine continues to offer its readers an opportunity to ask and provide answers to the most pressing questions of our times. Questions such as: Would it help global warming if I left my fridge door open? What's the riskiest game of risk ever played? If I fell down a disused mineshaft would Lassie really run and get help, or just sit there licking his balls? Do Bats Have Bollocks?

features a host of completely new and untrue questions and answers. With bags more rude jokes, shaggy dog stories and the odd entry from a new, bewildered editor who's wondering what the hell he's got himself into, this book is every bit as laugh-out-loud funny as last year's hugely successful volume *Do Ants Have Arseholes?*
