MLA papers have NO cover pages. The paper is double-spaced and uses Times New Roman font and 1 " margins. Typically used in the social sciences (e.g., Psychology, Sociology, Social Work). APA papers have cover pages.

[MLA VS. APA—University of South Florida](#)

In the social science field like sociology, psychology, criminology, etc. APA format is used. In the humanities stream, such as philosophy, religion, literature, politics, etc. MLA format is used. Thoroughly, it entirely based on the situation. If you are doing fictional literature work, then MLA is suitable to use.

[A Comprehensive Guide on The Comparison Between MLA vs APA...](#)

APA is an abbreviation of American Psychological Association. Like MLA writing style, APA writing style is also used to format papers by using specific rules. APA and MLA writing styles have differences but the rules cover the same topics, and APA writing rules are also created to protect the writer from possible accusations of plagiarism.

For fictional literature which will be published in large volumes, the MLA style is recommended by most writing experts. The reason for this is in-text citations which refer to the information by mentioning the particular page. Since MLA is best suited for long articles, APA is better for short publications.

[APA vs. MLA: How To Cite References](#)

APA is usually used for social sciences, while MLA is applied, when you need to write a paper on humanities or liberal arts. Both guidelines give recommendations on how to format style, content and references. While they are much alike, there are still many differences between MLA and APA, which you need to keep in mind.

[APA vs. MLA: What is the Difference Between APA and MLA?](#)

All in-text citations for MLA and APA must reference the author ' s name. Reference to the page number or publication year depends on the situation and citation style. When using APA, always give the year of publication. When quoting, always give the page number in MLA & APA.
