John Doe, \"Denim\"^\"Mostly Harmless\"^\"Ben Bilemy\"*. Collier County, 2018 Mostly Harmless Mostly Harmless is a 1992 novel by Douglas Adams and the fifth book in the Hitchhiker's Guide to the Galaxy series. It is described on the cover of the first editions as "The fifth book in the increasingly inaccurately named Hitchhikers Trilogy". It was the last Hitchhiker's book written by Adams and his final book released in his lifetime. Title. The title derives from a joke early in the ...

Mostly Harmless was, for many people, a disappointing end to a fantastic series. Adams admitted that he was having a "bad year" when he wrote this book, and it shows: the usual humor and manic pacing are largely gone, replaced by long tracts about actual theoretical science (as opposed to the lunatic-inspired science that created, say, the starship Bistromath), and the tone overall is far ...

Mostly Harmless takes - for me at least - a thrilling trip through alternative universes. Mostly Harmless begins and ends with the story of some interstellar explorers called the Grebulons. A meteorite damages their ship, resulting in the loss of all stored memories. The crew know they set out to monitor something, but have no idea what. By chance, they end up on a planet in the outer reaches ...

Mostly Harmless made the best start of the fleet, only to squander it in some short tacking up the Island shore before finding a gap to head over to the slacker tide off Lepe and take a lead that we held for the rest of the race, winning both on the water and on handicap. Rick Tomlinson was out and took some great photos. The one above is now the lockscreen image on Tom's PC. The proofs ...
