Profiling

Geographic profiling is a criminal
investigative methodology that analyzes

Download Free Offender Profiling Is Geographical

the locations of a connected series of crimes to determine the most probable area of offender residence. By incorporating both qualitative and quantitative methods, it assists in understanding spatial behaviour of an offender and focusing the investigation to a smaller area of the community. Typically

Download Free Offender Profiling Is Geographical

used in cases of serial murder or rape, the technique helps police detectives prioritize information in large-scale major

~~Geographic profiling — Wikipedia~~

Geographical profiling is a term which covers attempts to make predictions about offenders based on information about the

Download Free Offender Profiling Is Geographical

location and the timing of offences.

Geographical profiling can be used to: •
Identify which a number of offences are linked (e.g. carried out by the same offender or offenders) and which are not, which helps to focus investigations.

~~Criminological psychology~~ Geographical

Download Free Offender Profiling Is Geographical offender profiling ... Or Hope

Geographical profiling involves analyzing the location of a connected series of crimes, and looking at factors such as the spatial relationship between the different crime scenes and what this these reveal in relation to the perpetrator.
