In a few clicks, our operating manuals and video tutorials help you find the information you need for the correct settings and use of your timepiece.

~~User manuals | OMEGA US®~~

Although based on the older Omega DII and sharing a number of parts with it, the D2 enlarger had quite a few improvements that distinguish it from its predecessor. There was a new casting for the base, and longer, heavier chassis rails. The counter balance springs were mounted at the top of the column instead of on the carriage.
