deeper look into the implications of cheap fashion like H&M, Target, etc It's actually a very well-down piece of research, seeing how the author actually went to China and other countries to understand how the clothes are produced.

*Overdressed: The Shockingly High Cost of Cheap Fashion* by ...

In *Overdressed*, Cline sets out to uncover the true nature of the cheap fashion juggernaut, tracing the rise of budget clothing chains, the death of middle-market and independent retailers, and the roots of our obsession with deals and steals. She travels to cheap-chic factories in China, follows the fashion industry as it chases even lower costs into Bangladesh, and looks at the impact (both here and abroad) of America's drastic increase in imports.
