The Oxford Dictionary Of English Grammar , etymologically speaking, is related to glamour. Though few
people might claim that grammar is glamorous in the modern sense, there is significant curiosity in
British grammar today and no shortage of sentence structure books, ranging from small simple
publications directed at children or elementary-level foreign learners, through more advanced manuals to
good sized scholarly works.

Oxford Guide to English Grammar. The book Oxford guide to English grammar is thorough in its coverage
but pays most attention to points that are of importance to intermediate and advanced learners of
English, and to their teachers. It will be found equally suitable for quick reference to details and for
the more leisured study of broad grammar topics.

This advanced English grammar course features: short, clear explanations that are easy to remember; real examples to show how grammar works in practice; engaging practice activities including Internet exercises, grammar in a text, and vocabulary; grammar for reading, writing, and speaking; and a pronunciation CD-ROM.

Covers written and spoken British and American English and reviews grammar, usage, punctuation, and phonetics

Comprehensive course divided into 20 units, each focusing on a different grammar point. With glossary of grammar points, various exercises, illustrations, examples, and answers. Suitable for self-study, building vocabulary, and developing grammar skills.

Oxford Practice Grammar knows that students need different types of explanation and practice at each stage of their study. Advanced gives challenging practice activities and in-depth explanations. Great for classroom or self-study and it helps you prepare for standard exam questions asked in CAE, CPE, TOEFL, IELTS and other advanced-level exams.

This scarce book contains an incredibly detailed treatise on the grammar of the English language. Manual of English Grammar and Composition is readily accessible, making it the perfect book for both teachers and students of English, as well as a great addition to any collection of antiquarian linguistic literature. Containing a level of detail and insight often unparalleled in modern grammar texts, Manual Of English Grammar And Composition is a must-have for discerning students who seek to gain an exemplary knowledge of the evolution of English grammar. This text is split into five parts, including: Parsing and Analysis; Composition: Force and Propriety of Diction; Enlargement of Vocabulary: Figures of Speech; Prose and Poetry; and History of the Language. This book has been chosen for republication because of its immense educational value, and we are proud to republish it here complete with a new introduction to the subject. This book was originally published in 1905.
