Entre dos aguas is an instrumental flamenco rumba created by the Spanish guitarist Paco de Lucía, included as the first single on the album Fuente y caudal 1973. It was recorded with two guitars (the second played by his brother Ramón de Algeciras), with a bass and a bongo , instead of the traditional palmas played on the rumbas.

Francisco Gustavo Sánchez Gómez, known as Paco de Lucía, was a Spanish virtuoso flamenco guitarist, composer, and record producer. A leading proponent of the new flamenco style, he was one of the first flamenco guitarists to branch into classical and jazz. Richard Chapman and Eric Clapton, authors of Guitar: Music, History, Players, describe de Lucía as a "titanic figure in the world of flamenco guitar", and Dennis Kostler, author of Guitar Atlas, Flamenco, has referred to de Lucía as ...

Paco de Lucía Bio. Paco de Lucía, born Francisco Sánchez Gómez (in Algeciras, Cádiz on December 21, 1947), is a Spanish composer and guitarist. Recognized as a virtuoso flamenco guitarist all over the world, he is a leading proponent of the Modern Flamenco style, and is one of the very few flamenco guitarists who has also successfully crossed over into other genres of music.
