(DoD Performance Management and Appraisal Program ...

Description. In some organisations the periodic formal meeting between a manager and a member of staff is called a performance appraisal. In others it's just called an appraisal; or an appraisal review or a performance review – the terms vary. The aims of these reviews can also vary. They can include: improving performance; assessing achievements against objectives; reviewing levels of competence; solving problems; developing the employee's skills and career; and setting fresh objectives.
