"In this book, Sonja Krause Goodwin describes her Peace Corps training for teaching in Nigeria in 1964, her service there as a university teacher in physics, and her vacation travels. She notes her interactions with students, fellow university employees, other Peace Corps volunteers, and Nigerians"--

WAEC in Review is a practical intervention strategy in transforming the weakening educational system of Liberia where academic excellence is unceasingly diminishing. LIPACE Pilot Study Guide is not only a landmark achievement in the educational history of Liberia but a remarkable stride towards the proper preparation of Liberian students for future diets of the WAEC exam. As a member of the National Committee of the West African Examinations Council and a Stakeholder in the Liberian Education System, I wish to recommend the use of this study guide to adequately prepare each and every Liberian student for future examinations thereby setting the stage for an easy transition to the emerging West African Senior Secondary Examinations (WASSCE). I am explicitly confident that you will definitely find your journey through this guide very rewarding as you prepare to sit the next WAEC Exam.—David S. Massaquoi, Sr., director of Education, The Salvation Army–Liberia Command Education Secretariat Our students sit the exam in constant fear of proctors and supervisors. They know nothing about the exam and its structure and this fear lead to them failing massively. We need to build the confidence level of our students and help them to study hard and understand the roles of proctors and supervisors to stop the intimidation during the exam. Thanks to LIPACE and the “Turning the Tide” project, we have helped our students achieved an amazing achievement for the first time in the history of Gbarpolu County where all senior students successfully passed the exam.—Lartey Bemah, principal of Bopolu Public School (2012-2013), Gbarpolu County, Liberia

Are you are determined to score up to 290 and above and pass the Post JAM University of choice exams with ease, you simply have to order this book with Past POST JAMB Q&A; and download Otakada Academy My School FREE JAMB, WAEC, NECO Past Q&A Mobile App or Software 2020 UTME ready, lifetime updates and we will send you the lifetime code after purchase by sending email to academy@otakada.org with proof of payment and you can start your preparations immediately. With this Otakada Academy My School JAMB CBT Software or Mobile App and constant practise, you are sure of scoring 290+ in your JAMB CBT Exams.

School Science Practical Work in Africa presents the scope of research and practice of science practical work in African schools. It brings together prominent science educators and researchers from Africa to share their experience and findings on pedagogical innovations and research-informed practices on school science practical work. The book highlights trends and patterns in the enactment and role of practical work across African countries. Practical work is regarded as intrinsic to science teaching and learning and the form of practical work that is strongly advocated is inquiry-based learning, which signals a definite paradigm shift from the traditional teacher-dominated to a learner-centered approach. The book provides empirical research on approaches to practical work, contextual factors in the enactment of practical work, and professional development in teaching practical work. This book will be of great interest to academics, researchers and post-graduate students in the fields of science education and educational policy.

The most popular series for GCSE has been updated to offer comprehensive coverage of the revised GCSE specifications. Physics for You, has been updated in-line with the revised National Curriculum requirements.
