Sometimes pressing doesn't go the way our brains think it should! Things like "Always press to the dark." "Always spin the centers of four-patches and hourglass units" may give a false sense of security that any project is going to fit together well
-.

~~Quiltville's Quips & Snips!!~~

The quips and quotes about church and Christianity were cute, and most of the quotes had more substance and meat than other quote books. I haven't noticed the overt sexism toward women that others have mentioned, although it should be stressed that every quote book is going to have its share of dumb and trifling remarks. Use with caution.
