Betrayal in the City, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: "It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future."--Page 4 of cover.

This novel is by the author of the celebrated My Life in Crime and is his first. The life of the 'Son of Fate' is a grim struggle for survival, after his release from prison. A New York Times Editors’ Choice “A welcome addition to the vast literature produced by jailed writers across the centuries . . . [a] thrilling testament to the human spirit.” --Ariel Dorfman, The New York Times Book Review “Wrestling with the Devil is a powerful testament to the courage of Ngũgĩ and his fellow prisoners and validation of the hope that an independent Kenya would eventually emerge.” --Minneapolis Star Tribune “The Ngũgĩ of Wrestling with the Devil called not just for adding a bit of color to the canon’s sagging shelf, but for abolition and upheaval.” --Bookforum An unforgettable chronicle of the year the brilliant novelist and memoirist, long favored for the Nobel Prize, was thrown in a Kenyan jail without charge Wrestling with the Devil, Ngũgĩ wa Thiong’o’s powerful prison memoir, begins literally half an hour before his release on December 12, 1978. In one extended flashback he recalls the night, a year earlier, when armed police pulled him from his home and jailed him in Kenya’s Kamiti Maximum Security Prison, one of the largest in Africa. There, he lives in a prison block with eighteen other political prisoners, quarantined from the general prison population. In a conscious effort to fight back the humiliation and the intended degradation of the spirit, Ngũgĩ—the world-renowned author of Weep Not, Child; Petals of Blood; and Wizard of the Crow—decides to write a novel on toilet paper, the only paper to which he has access, a book that will become his classic, Devil on the Cross. Written in the early 1980s and never before published in America, Wrestling with the Devil is Ngũgĩ’s account of the drama and the challenges of writing the novel under twenty-four-hour surveillance. He captures not only the excruciating pain that comes from being cut off from his wife and children, but also the spirit of defiance that defines hope. Ultimately, Wrestling with the Devil is a testimony to the power of imagination to help humans break free of confinement, which is truly the story of all art.

This book is for you if your life is a series of shattered dreams. This book is for you if you have no dreams at all. It's for you if you've bought the lie that you'll never amount to anything. That's not true. Your life is BIG--far bigger than you've imagined. Inside these pages lie the keys to recognizing the full potential of your life. You won't necessarily become a millionaire (though you might), but you will attain a life that is rewarding, significant, and more fruitful than you ever thought possible. The author of this book knows about hardship. Ben Carson grew up in inner-city Detroit. His mother was illiterate. His father had left the family. His grade-school classmates considered Ben stupid. He struggled with a violent temper. In every respect, Ben's harsh circumstances seemed only to point to a harsher future and a bad end. But that's not what happened. By applying the principles in this book, Ben rose from his tough life to one of amazing accomplishments and international renown. He learned that he had potential, he learned how to unleash it, and he did. You can too. Put the principles in this book in motion. Things won't change overnight, but they will change. You can transform your life into one you'll love, bigger than you've ever dreamed.
