Morning Star, the third installment of the Red Rising Saga, exceeded all my expectations. My favorite so far! Currently, Pierce Brown is in a head-to-head battle with George R.R. Martin to become the 'Author Intentionally Trying to Crush My Soul'. Brown has created a hellishly brutal world here.

Morning Star (Red Rising Saga, #3) by Pierce Brown  
Morning Star is a 2016 science fiction novel by American author Pierce Brown, the third in his Red Rising trilogy. Morning Star picks up as the lowborn Darrow escapes capture and resumes his campaign against the tyrannical Sovereign of the Society. Pragmatic as ever, he begins to amass the resources and allies he needs to defeat the forces of the Sovereign.

Pierce Brown. Hodderscape > Our books > Science Fiction, Young Adult > Morning Star (Red Rising Book 3) Tweet. Darrow is a Helldiver, one of a thousand men and women who live in the vast caves beneath the surface of Mars, generations of people who spend their lives toiling to mine the precious elements that will allow the planet to be terraformed. Just knowing that, one day, people will be able to walk the surface of the planet is enough to justify their sacrifice.

Morningstar by Pierce Brown – Red Rising #3. Vee / 28 July 2016. Yes! I finished the series! It might have taken me forever but I have done it! And to celebrate this accomplishment, here is my review! Darrow is alive but just barely. Betrayed by those he trusted the most, he finds himself broken and lost. But the Sons of Ares still need him.

Morningstar by Pierce Brown - Red Rising #3 | Vee Reading  
Morning Star continues the ravaging pace set by its predecessor and if you found Golden Son difficult to put down, you will most certainly have similar problems here. The third instalment of this series begins with Darrow at his lowest. The war is no longer a civil war between golds, but a clash of colours across all of the solar system.

MORNING STAR - BOOK REVIEW (Red Rising #3) - Literation Club  
Off the Shelf: Morning Star (Red Rising #3) by Pierce Brown. Posted on February 27, 2018by Lauren. It's been a while since I've enjoyed the final book in a young adult trilogy. The Divergent and The 5th Waveseries went from being addictive guilty pleasures to frustratingly disappointing, and The Maze Runnerseries left my interest in the dust by the end of book two.

Red rising series on the other hand is well written and meaningful. Morning star gives a satisfying end to the series without any cliched deaths or over the top protagonist. The character development is marvellous and the way they handle destroying the color hierarchy seems realistic. The author did a fantastic job with all the characters.
