“I live for the dream that my children will be born free,” she says. “That they will be what they like. That they will own the land their father gave them.” “I live for you,” I say sadly. Eo kisses my cheek. “Then you must live for more.” Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for freedom and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary institute, a proving ground for the dominant Gold caste, where the next generation of humanity’s overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society’s ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. He broke the chains. Then he broke the world.... A decade ago Darrow led a revolution, and laid the foundations for a new world. Now he’s an outlaw. Cast out of the very Republic he founded, with half his fleet destroyed, he wages a rogue war on Mercury. Outnumbered and outgunned, is he still the hero who broke the chains? Or will he become the very evil he fought to destroy? In his darkening shadow, a new hero rises. Lysander au Lune, the displaced heir to the old empire, has returned to bridge the divide between the Golds of the Rim and Core. If united, their combined might may prove fatal to the fledgling Republic. On Luna, the embattled Sovereign of the Republic, Virginia au Augustus, fights to preserve her precious democracy and her exiled husband. But one may cost her the other, and her son is not yet returned. Abducted by enemy agents, Pax au Augustus must trust in a Gray thief, Ephraim, for his salvation. Far across the void, Lyria, a Red refugee accused of treason, makes a desperate bid for freedom with the help of two unlikely new allies. Fear dims the hopes of the Rising, and as power is seized, lost, and reclaimed, the worlds spin on and on toward a new Dark Age. Don’t miss any of Pierce Brown’s Red Rising Saga:

As a Red, Darrow grew up working the mines deep beneath the surface of Mars, enduring backbreaking labor while dreaming of the better future he was building for his descendants. But the Society he faithfully served was built on lies. Darrow’s kind have been betrayed and denied by their elitist masters, the Golds—and their only path to liberation is revolution. And so Darrow sacrifices himself in the name of the greater good for which Eo, his true love and inspiration, laid down her own life. He becomes a Gold, infiltrating their privileged realm so that he can destroy it from within. A lamb among wolves in a cruel world, Darrow finds friendship, respect, and even love—but also the wrath of powerful rivals. To wage and win the war that will change humankind’s destiny, Darrow must confront the treachery arrayed against him, overcome his all-too-human desire for retribution—and strive not for violent revolt but a hopeful rebirth. Though the road ahead is fraught with danger and deceit, Darrow must choose to follow Eo’s principles of love and justice to free his people. He must live for more. Darrow would have lived in peace, but his enemies brought him war. The Gold overlords demanded his obedience, hanged his wife, and enslaved his people. But Darrow is determined to fight back. Risking everything to transform himself and breach Gold society, Darrow has battled to survive the cutthroat rivalries that breed Society’s mightiest warriors, climbed the ranks, and waited patiently to unleash the revolution that will tear the hierarchy apart from within. Finally, the time has come. But devotion to honor and hunger for vengeance run deep on both sides. Darrow and his comrades-in-arms face powerful enemies without scruple or mercy. Among them are some Darrow once considered friends. To win, Darrow will need to inspire those shackled in darkness to break their chains, unmake the world their cruel masters have built, and claim a destiny too long denied—and too glorious to surrender. This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel Freak the Mighty, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.
