Though Jack Kerouac began thinking about the novel that was to become On the Road as early as 1947, it was not until three weeks in April 1951, in an apartment on West Twentieth Street in Manhattan, that he wrote the first full draft that was satisfactory to him.

On the Road: The Original Scroll: Kerouac, Jack, Kupetz ...

The legendary 1951 scroll draft of On the Road, published as Kerouac originally composed it IN THREE WEEKS in April of 1951, Jack Kerouac wrote his first full draft of On the Road –typed as a single-spaced paragraph on eight long sheets of tracing paper, which he later taped together to form a 120-foot scroll.

On the Road: the Original Scroll by Jack Kerouac ...

This edition of 'The Original Scroll' is the book Kerouac intended. A bold experiment that reshaped American literature and that will be remembered as one of its great achievements.

On the Road: The Original Scroll: Kerouac, Jack ...

After reading the published edition years ago, I found the scroll version MUCH better and true to Kerouac's intent compared to the edited and butchered published edition which Jack disliked. With minimal punctuation and using actual names (unlike the published edition), the scroll edition is a true "diamond in the rough" and is like reading one long paragraph that takes 12 hours to read.

Jack Kerouac's original typewritten manuscript scroll for On the Road was auctioned by Christie's on May 22, 2001 on behalf of some of the heirs to Jack Kerouac's estate, at a starting bid of one million dollars.

Jack Kerouac's On the Road Manuscript Scroll • Empty Mirror

On the Road is a 1957 novel by American writer Jack Kerouac, based on the travels of Kerouac and his friends across the United States. It is considered a defining work of the postwar Beat and Counterculture generations, with its protagonists living life against a backdrop of jazz, poetry, and drug use.

On the Road - Wikipedia

By far the more significant is Scroll, a transcription of the original draft typed as one long paragraph on sheets of tracing paper which Kerouac taped together to form a 120-foot (37 m) scroll. The text is more sexually explicit than Viking allowed to be published in 1957, and also uses the real names of Kerouac's friends rather than the ...

Jack Kerouac - Wikipedia

Jack Kerouac (1922 – 1969) is the author of this book. He is considered a pioneer of the Beat generation, along with Allan Ginsberg and William S. Burroughs. If you are considering whether to read the book you must decide which edition to read. The book first came out in 1957 with the title On the Road.

Though Jack Kerouac began thinking about the novel that was to become On the Road as early as 1947, it was not until three weeks in April 1951, in an apartment on West 20th Street in Manhattan, that he wrote the first full draft that was satisfactory to him.

A reproduction of Kerouac's original 1951 scroll draft of "On the Road" offers insight into the writer's thematic vision and narrative voice as influenced by the American literary, musical, and visual arts of the post-World War II period.

A faithful reproduction of Kerouac's 1951 scroll draft of On the Road as originally composed offers insight into the writer's thematic vision and narrative voice as influenced by the American literary, musical, and visual arts of the post-World War II period.

- Presents the most important 20th century criticism on major works from The Odyssey through modern literature - The critical essays reflect a variety of schools of criticism - Contains critical biographies, notes on the contributing critics, a chronology of the author's life, and an index - Introductory essay by Harold Bloom"

Retiring to a seaside cabin near San Francisco, Jack DuLoz looks for tranquility, but finds only horror and despair.

A collector's edition of five works by the late Beat Generation classic writer combines the eminent "On the Road" with the novels, "The Dharma Bums," "The Subterraneans," "Tristessa," and "Lonesome Traveler."

In Turkey the Beat message of dissent is being given renewed life as publishers, editors, critics, readers, and others dissatisfied with the conservative social and political trends in the country have turned to the Beats and other countercultural forebears for alternatives. Through an examination of a broad range of literary translations, media portrayals, interviews, and other related materials, this book seeks to uncover how the Beats and their texts are being circulated, discussed, and used in Turkey to rethink the possibilities they might hold for social critique today. Mortenson examines how in Turkey the Beats have been framed by the label “underground literature”; explores the ways they are repurposed in the counterculture-inspired journal Underground Poetix; looks at the reception of Jack Kerouac’s On the Road and how that reaction provides a better understanding of the construction of “American-ness”; delves into the recent obscenity trial of William S. Burroughs’s novel The Soft Machine and the attention the book’s supporters brought to government repression and Turkish homophobia; and analyzes the various translations of Allen Ginsberg’s Howl to demonstrate the relevance Ginsberg still holds for social rebellion today. Translating the Counterculture takes a revolutionary look at how contemporary readers in other parts of the world respond to the Beats. Challenging and unsettling an American-centric understanding of the Beats, Mortenson pushes the discipline toward a fuller consideration of their cultural legacy in a globalized twenty-first century.

Legions of youthful Americans have taken On the Road as a manifesto for rebellion and an inspiration to hit the road. But there is much more to the book than that. In Why Kerouac Matters, John Leland embarks on a wry, insightful, and playful discussion of the novel, arguing that it still matters because it lays out an alternative road map to growing up. Along the way, Leland overturns many misconceptions about On the Road as he examines the lessons that Kerouac's alter ego, Sal Paradise, absorbs and dispenses on his novelistic journey to manhood, and how those lessons-about work and money, love and sex, art and holiness - still reverberate today.

Written over the course of three days and three nights, The Subterraneans was generated out of the same kind of ecstatic flash of inspiration that produced another one of Kerouac's early classics, On The Road. Centering around the tempestuous breakup of Leo Percepied and Mardou Fox—two denizens of the 1950s San Francisco underground—The Subterraneans is a tale of dark alleys and smoky rooms, of artists, visionaries, and adventurers existing outside mainstream America's field of vision.

After spending months as a fire lookout on a remote mountain, Jack DuLoz returns to his life in San Francisco and discovers how his isolation has affected his life. As he hitches, walks, and talks his way across the world, DuLoz perceives the angel that is in everything. It is life as he sees it.
