Lorsque le FBI américain décide de piéger un apprenti terroriste qui veut abattre « Air Force One », l'avion du président des Etats-Unis, avec un missile sol-air russe Iгла 3, il ne se doute pas qu'il va déclencher une crise internationale, provoquer beaucoup de morts et perdre la face ! Le FSB russe est prêt à mettre à sa disposition un IGLA S, mais le FBI ignore que le nouveau KGB traîne encore beaucoup d'arrière-pensées pas vraiment favorables aux Américains. Et ni le FBI, ni le FSB ne soupçonnent qu'une troisième partie s'est greffée sur l'affaire : des gens qui veulent simplement gagner beaucoup d'argent... Tout va droit à la catastrophe, quand la CIA décide d'envoyer Malko Linge à Moscou pour tenter de démêler les fils de cet imbroglio qui devient très vite sanglant. Du New Jersey à Moscou, l'affaire se déplace dans le Caucase, dans le petit Etat du Daguestan, au Sud de la Russie, où on assassine comme on respire... D'ailleurs, l'affaire des IGLA S se terminera par un feu d'artifice provoqué par Malko, qui ajoutera quelques cadavres à cette affaire qui en compte déjà pas mal...

Malko regarda autour de lui et aperçut aussitôt, le long d'une rame à l'arrêt, deux jeunes Chinois. L'un tenait un fléau : un bâton prolongé d'une chaîne, elle-même se terminant par une longue pointe aiguisée. L'autre se préparait à lui lancer une étoile à cinq branches, avec un trou au milieu. L'arme des triades. Terrible. Qui, à vingt mètres, vous tuait silencieusement. Comme il était sorti parmi les derniers, il n'y avait pratiquement plus personne avec lui. Un des deux Chinois rejeta le bras en arrière et, se détendant comme pour un lancer de javelot, projeta une seconde "étoile" qui tournoya à une vitesse diabolique, droit vers Malko.

Includes entries for maps and atlases.

In 1945, John Randall was the first Allied officer to enter Bergen-Belsen - the concentration camp that would reveal the horrors of the Holocaust to the world. Randall was one of that league of extraordinary gentlemen handpicked for suicidally dangerous missions behind enemy lines in North Africa, Italy, France and Germany throughout the Second World War. He was a man of his class and of his times. He hated the Germans, liked the French and was unimpressed by the Americans and the Arabs. He was an outrageous flirt, as might be expected of a man who served in Phantom alongside film stars David Niven and Hugh Williams. He played rugby with Paddy Mayne, the larger-than-life colonel of the SAS and winner of four DSOs. He pushed Randolph Churchill, son of the Prime Minister, out of an aeroplane. He wined and dined in nightclubs as part of the generation that lived for each day because they might not see another. This extraordinary true story, partly based on previously unpublished diaries, presents a different slant on that mighty war through the eyes of a restless young man eager for action and adventure.

A collected set of congressional documents of the 11th to the 55th Congress, messages of the Presidents of the United States, and correspondence of the State Dept. Many of these pamphlets have been catalogued separately under their respective headings.

A high-tension, sexy, political thriller in which freelance CIA agent Malko Linge brings a project to his bosses that could blow open a ring of Russian spies operating in the United States. First English-language publication. At a benefit dinner, Austrian playboy and CIA freelancer Malko Linge meets an intriguing woman, Zhanna Khrenkov, who has an unusual proposal. She will disclose everything she knows about her husband Alexei's business if Malko will get rid of Alexei's younger, British mistress. Appalled, Malko refuses--until Zhanna reveals her husband's real job: head of a ring of Russian spies operating undercover inside the U.S. For Malko's CIA contacts, this is a highly necessary job; for Malko, it is a highly sensitive one. He will move cautiously from Vienna to London to Moscow, trying to find the right balance of winning Zhanna's trust without compromising his moral integrity.

Le cri de Yahia fit se retourner Malko. " Patron ! " Il pivota sur lui-même, découvrant une étrange silhouette. Un Noir qui avançait vers lui d'une démarche chaloupée, coiffé d'un feutre sombre, le regard dissimulé derrière des lunettes de soleil en dépit de l'obscurité, le torse nu sous une longue redingote marron. Tout en marchant, il parlait tout seul et semblait très agité. Malko s'immobilisa, le dos à la porte de l'hôtel, de l'adrénaline plein les artères. Soudain, le Noir plongea la main sous sa redingote, en sortit un énorme couteau de cuisine et fonça en direction de Malko avec un hurlement sauvage.
