*SOLVED: Service manual 2001 Suzuki VL 250
Intruder LC - Fixya*

I Have a VL125 intruder service manual for my Suzuki Intruder VL250 (2001). I haven't found anything that is different within the service manual compared to the 250. I am wondering about the best/cheapest way to source and more comprehensive manual? Specifically I am looking for a parts list and what some may call a "workshop manual."
