Shine: Using Brain Science

Where To Download Shine Using Brain Science To Get The Best From Your People Ned Hallowell

Creating that spark and inspiring someone to perform at their highest levels isn't rocket science; but it is brain science, and it has yet to be codified into a simple and reliable process that all managers can use. Drawing from his expertise helping people reach their full potential and synthesizing the latest research on happiness, brain science, and performance, Hallowell does exactly that ...
