The book provides an overview of the Sindh Ppolice over a period of fifty years, from 1947 to 1997. The narrative also includes a brief history of Sindh and evolution of the police force the world over. Shortcomings in the policing system have been discussed, and suggestions offered foroverall improvement.

The second edition with the addition of permanent values to eradicate crime from the society has made it more thought provoking at the face of sectarianism, extremism, intolerance, terrorism, and corruption: it is revolutionary, opening new vistas and bold horizons of intellectual endeavors. The book is thus a unique attempt at the rediscovery of maintaining Law & Order for permanent values: scholarly written and exquisitely presented.

The World Police Encyclopedia is the only existing reference work to systematically survey all the police systems in all the countries of the world (the 189 UN member states plus Switzerland). Each article describes police history; police education and training; structure of the force(s) in relation to the country's form of government and criminal justice system; police responsibilities and duties; most common crimes; structure and role of the courts; correction structure; organization and function of the police force(s); use of firearms; local and central interactions; community relations; and current issues and challenges. This unique resource will be of interest to scholars of history, foreign policy, and politics as well as government agencies, NGOs, and others involved in working internationally to control international and domestic crime.

A ground-breaking book on nation-building, ethnicity and regional politics in South Asia.

The Asia-Pacific Regional Security Assessment 2021 provides insight into key regional strategic, geopolitical, economic, military and security topics. Among the topics explored are: US-China decoupling and its regional security implications; Japan's security policy and China; India's emerging grand strategy; Southeast Asia amid rising great-power rivalry; Australia's new regional security posture; NATO's evolving approach to China; The United Kingdom's 'tilt' to the Indo-Pacific; and Emerging technologies and future conflict in the Asia-Pacific. Authors include leading regional analysts and academics Kanti Bajpai, Gordon Flake, Franz-Stefan Gady, Prashanth Parameswaran, Alessio Patalano, Samir Puri, Sarah Raine, Tan See Seng, Drew Thompson, Ashley Townshend, Joanne Wallis and Robert Ward.

Revised version of papers presented at a conference held at New Delhi during 9-11 February 2004.

The Police, State and Society: Perspectives from India and France is a parallel study between criminal justice systems in India and France. It covers the institutional, democratic and functional aspects of the police and law in the two countries. It discusses the modern aspects of policing and human rights issues in the criminal justice system against a backdrop of violence and conflict. It is useful for students and scholars of sociology, law, criminal justice, political science policymakers and general readers.
