Women today want to have it all; they not only want to have their own lives outside of the home and the workplace, but they want a healthy, stable relationship, to excel in their careers, and some also want to become mothers. This change in our cultural outlook, and the expansion of options for women, has led to record numbers of women deciding not to have children at all, or to wait until later in life to get married or to start trying to

conceive a child. For those who decide that they want to wait, the options for birth control are many and varied, and while there is certainly nothing wrong with waiting to have children, it can be more difficult for women to conceive the longer that you wait. With more women waiting to conceive, there is a greater need for women to understand their options and for doctors to provide solutions to the problems that these women are facing. That said, if you are considering waiting to have children, or are getting ready to start trying, you'll want to get a good idea of how your body and its cycles work, how you can use your body's natural cycle to help you prevent pregnancy, and also how

exceptional memory, aspiration, transcendence, wisdom, compassion. You have the ability to unlock your full inner-potential and achieve your ultimate goals. This is the age-old secret of the financial elite, world class scholars, and Olympic champions. For example, when you watch the Olympics, you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms & visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of mind can elevate you above any of life's challenges. By reading this book, you will feel totally that

write their own story in this life. With care and conviction, Judge Hatchett uses real life stories from the courtroom and her personal life to counsel readers. Shows them how to find their true purpose and gifts, to be real about their reality and its potential outside of challenging circumstances, and to always be true to themselves. Interactive as well as inspirational, DARE TO TAKE CHARGE challenges the reader to ask self-reflective questions that lead to moments of self-discovery and a defined pathway to healing. Daring her audience to study the positive with the same interest and intensity that they study the negative, Judge Hatchett uncovers the potential for grace
