The Birth Partner by Penny Simkin - Goodreads

Simkin stresses the necessity of supporting a woman emotionally throughout the process and not just while obvious key events are happening like checking the mom's progress or deciding whether to incorporate an intervention into her labor. The Birth Partner is easy to read, incredibly user-friendly, and straightforward. It also has the page edges of several sections highlighted for quick reference during labor so that it can double as a handbook.

Book Review: The Birth Partner, by Penny Simkin – The ...

Description. Since the original publication of The Birth Partner, new mothers' mates, friends, and relatives and doulas (professional birth assistants) have relied on Penny Simkin's guidance in caring for the new parent from the last few weeks of pregnancy through the early postpartum period. Fully revised in its FIFTH edition, The Birth Partner remains the definitive guide for preparing to help a person through childbirth and the essential manual to have at hand during the event.
