Kafkaesque nightmare world" (Kim Stanley Robinson). Area X has been cut off from the rest of the continent for decades. Nature has reclaimed the last vestiges of human civilization. The first expedition returned with reports of a pristine, Edenic landscape; the second expedition ended in mass suicide; the third expedition in a hail of gunfire as its members turned on one another. The members of the eleventh expedition returned as shadows of their former selves, and within weeks, all had died of cancer. In Annihilation, the first volume of Jeff VanderMeer's Southern Reach trilogy, we join the twelfth expedition. The group is made up of four women: an anthropologist; a surveyor; a psychologist, the de facto leader; and our narrator, a biologist. Their mission is to map the terrain, record all observations of their surroundings and of one another, and, above all, avoid being contaminated by Area X itself. They arrive

will never give up trying to find them... On a beautiful summer night in a charming English suburb, a young woman and her boyfriend disappear after partying at the massive country estate of a new college friend. One year later, a writer moves into a cottage on the edge of the woods that border the same estate. Known locally as the Dark Place, the dense forest is the writer ' s favorite area for long walks and it ' s on one such walk that she stumbles upon a mysterious note that simply reads, “ DIG HERE. ” Could this be a clue towards what has happened to the missing young couple? And what exactly is buried in this haunted ground? With her signature “ rich, dark, and intricately twisted ” (Ruth Ware, New York Times bestselling author) prose, Lisa Jewell has crafted a dazzling work of suspense that will keep you on the edge of your seat until the final page.

This book uniquely combines CBT with the Department of Health stepped care model to provide the first comprehensive case study-approach textbook. A step-by-step guide to using CBT, the book is structured around case studies of clients who present with the most commonly encountered conditions; from mild to more complex, enduring symptoms and diagnosis. This distinctive practical format is ideal in showing how to put the principles of CBT and stepped care into effect. As well as echoing postgraduate level training, it provides an insight into the experiences the trainee will encounter in real-world practice. Each chapter addresses a specific client condition and covers initial referral, presentation and assessment, case formulation, treatment interventions, evaluation of CBT strategies and discharge planning. Specific presenting problems covered include: - First onset and chronic Depression - Social
