The first complete brain of an dinosaur has been unveiled by scientists. Weighing less than a pea, it belonged to a meat eater that walked the Earth 233 million years ago.

In 1950, fresh out of college and keen to make his name as a writer, Elmore Leonard decided he needed to pick a market, a big one, which would give him a better chance to be published while he learned to write. In choosing between crime and Westerns, the latter had an irresistible pull - Leonard loved movies set in the West. As he researched deeper into settings, Arizona in the 1880s captured his imagination: the Spanish influence, the stand-offs and shoot-outs between Apache Indians and the US cavalry. This is a fantastic collection of over five decades' worth of stories.

Before he brilliantly traversed the gritty landscapes of underworld Detroit and Miami, Elmore Leonard wrote breathtaking adventures set in America's nineteenth-century western frontier—elevating a popular genre with his now-trademark twisting plots, rich characterizations, and scalpel-sharp dialogue. No author has ever written more evocatively of the dusty, gutsy heyday of the American West than Elmore Leonard. This complete collection of his thirty-one Western tales will thrill lovers of the genre, his die-hard fans, and everyone in between. From his very first story ever published—"The Trail of the Apache"—through five decades of classic Western tales, The Complete Western Stories of Elmore Leonard demonstrates the superb talent for language and gripping narrative that has made Leonard one of the most acclaimed and influential writers of our time.

LARAMIE was a fan favorite for four years on TV, airing over 120 episodes. Starring John Smith as Slim Sherman, Robert Fuller as Jess Harper, Hoagy Carmichael as Jonesy and Robert L. Crawford, Jr., as Andy Sherman, it brought a higher level of quality to the small screen western. The comic series only lasted four issues, but it, too, is some of the best western comics of the era. We have all four issues for you - individually, or in LARAMIE: THE COMPLETE SERIES. RARE COMICS CAN BE HARD TO FIND IN EXCELLENT CONDITION. Natural Science in Western History provides an up-to-date and comprehensive survey of western science from ancient times through the Enlightenment to the present. Author Frederick Gregory, past president of the History of Science Society, applies his expertise in teaching the history of science to this thorough and visually interesting survey. Numerous photographs and line drawings throughout this dynamic text illustrate some of the more complex scientific principles. Every chapter discusses a philosophical topic in the history of western science, including such topics as science vs. magic, mathematics vs. nature, and evolution vs. natural selection.

Destiny, restlessness, and greed moved the white man west, into lands occupied for centuries by a proud and noble people: Arapahoe, Navajo, Apache, Sioux. The bitter misunderstandings and brutal clashes of cultures that resulted ultimately shaped the nation we know today. In seven classic western tales, the New York Times-bestselling Grand Master re-creates a world of violence, deception, vengeance, and strange beauty with the same peerless storytelling power that distinguishes his acclaimed suspense fiction.

Containing chapters 51-100 of China's best-loved work, in an edited, yet complete and wholly accurate translation for the Western reader. Travel with Monkey, Pig, Friar Sand and the Tang Priest as they continue their journey to India and finally attain the scriptures. Volume 2 contains some of the most famous episodes from this classic, including Monkey's duel with the Princess Iron Fan.

For the first moment Donnegan was not sure; it was not until there was a slight faltering in the deal--an infinitely small hesitation which only a practiced eye like that of Donnegan's could have noticed--that he was sure. The winner was crooked. Yet the hand was interesting for all that. He had done the master trick, not only giving himself the winning hand but also giving each of the others a fine set of cards.
