Over the last several decades, one of the most frustrating problems facing bowlers who are looking to get better at the sport has been the lack of a simple, universally accepted system that works for everyone. Enter Mark Baker and his revolutionary approach to coaching -- an approach that has made him the most sought-after bowling coach in the world. In this book, Baker reveals entirely new and simple ways to illustrate the kinds of things that can immediately improve a bowler's scores without completely reinventing the bowler's own unique style. Using empirical evidence illustrated by common traits that the vast majority of Hall-of-Fame-caliber bowlers possess, Baker convincingly (and humorously) explains what it takes to improve your bowling scores by making small, easy-to-adopt changes within the structure of your own, natural game. The Game Changer truly is a game changer when it comes to the way bowlers and bowling coaches will approach bowling improvement for the foreseeable future.

"This has to be a dream..." Gavin was gone and she was laying in a pool of her own blood. Was this really how her story was going to end? Of course not. Domonique "DJ" McGee was born to fight. Up to this point she had failed miserably at shouldering the weight of the empire that Gavin created but DJ was determined to prove everyone, including herself wrong. She has never been one to back down from a challenge and King, Deuce and the rest of the newly restructured Iron Fist would be no exception. They would pay for the betrayal of both men she loved and she refused to die before that happened. With Ace's help she was determined to get back on her feet and get back to business. But her focus on vindication is quickly shifted when Ace delivers crushing news and her dead ex-boyfriend is no longer dead. "Ain't no guessing about it...G is back and he's back with a vengeance..." Gavin Harlen had always been ten steps ahead of everyone else. That's why he could be both faceless and feared in the street. A ghost. The boogeyman. He was the man that no one would dare to cross...that is until his own crew spit on his name. After much speculation Gavin put his plan into action and verified that there truly had been snakes hidden in plain sight right in front of him. Not only had they been willing to kill him but they continued on with the business he built and tarnished its reputation. But with Ace, DJ, and a surprising new edition they are ready to reclaim the Iron Fist in a winner take all battle. But his attention is turned elsewhere when DJ isn't as enthusiastic about his return as she has begun to live a life that doesn't include him in it. In the epic finale, all of your questions are answered. Has Gavin lost DJ for good? Ace or Gavin? Who will she choose? What's up with Professor Mosely? What made McKenzie turn on DJ the way she did? Do the bad guys win? Find out all that and more in Game Changer 3.

Kyle Van Noy played college football for Brigham Young University from 2010-13. He quickly became a key contributor on defense as an outside linebacker. By his sophomore season he was the centerpiece of the defense and team MVP. As a junior in 2012, he was the catalyst of a unit that became the best defense in school history. What made Van Noy such a special player was his knack for making game-changing plays. Van Noy was a fan favorite, but not only for his play on the field. He had an inspiring story away from the field. Van Noy had some problems in high school that almost kept him from attending BYU. Once he was enrolled at BYU, the special environment of the school gave Van Noy life changing experiences that has made him a role model for many. Kyle Van Noy: The Game Changer looks at both sides of the Van Noy legacy. Each of his game changing plays is documented and discussed. Many of the life changing lessons he learned are also discussed by his coaches, friends, and teammates.
