"America's Children and the Environment (ACE)" is EPA's report presenting data on children's environmental health. ACE brings together information from a variety

Access Free The GI Rainbow Dave Roeaux 18

of sources to provide
national indicators in the
following areas:
Environments and
Contaminants, Biomonitoring,
and Health. Environments and
Contaminants indicators
describe conditions in the

environment, such as levels of air pollution.

Biomonitoring indicators include contaminants measured in the bodies of children and women of child-bearing age, such as children's blood lead

Managing Ocean Environments
in a Changing Climate
summarizes the current state
of several threats to the
