The Green House Summary. The absence of chronology and causality endows anecdotal material with a universal quality. Hence, well-known Spanish American fictional topics are converted into themes of broader scope: the exploitation of the Indian emphasizes the inhumanity of man to man while the machismo element pervading the novel broaches the general theme of violence as a synonym for manhood.

Mario Vargas Llosa is noted as one of Latin America's premier magical realists, in the tradition of Gabriel García Márquez and Isabel Allende. While *The Green House* lacks specific fantasy elements, it does provide the lyrical language and shifting time frames that are synonymous with magical realism as Vargas Llosa creates lush jungle habitats, boisterous brothels and lazy villages.
