Azucena G. Blanco,
Literature and Politics in the Later Foucault (2020)

This study proposes a revised interpretation of Foucault's views on literature. It has been argued that the philosopher's interest in literature was limited to the 1960s and of a mostly depoliticized nature.

Michel Foucault - Wikipedia
First, a neoliberal political innovation consists in setting up "the economic rule of the law" (163). Hayek's writings serve as solid evidence for this claim. Second, Foucault argues that neoliberalism is the general framework of biopolitics. And, we certainly know since (at least) *Discipline and Punish* that power individuates. Vatter successfully shows how ultimately the "neoliberal economic rule of law introduces a new form of individuation that requires that everyone become an ...

It has been argued that the philosopher's interest in literature was limited to the 1960s and of a mostly depoliticized nature.

However, Foucault's previously unpublished later works suggest a different reality, showing a sustained interest in literature and its politics. In the light of this new material, the book repositions Foucault's ideas within recent debates on the politics of literature.

Emphasis is placed on the focused exploration of key notions mainly drawn from the works of Michel Foucault. It deploys effective methods and shows how philosophical concepts can be deployed as a tool to analyse the ways through which architecture transforms individuals through the act of exchange—whether of words, things, bodies, or thoughts.
