By (author) Dossie Easton , By (author) Janet W Hardy. Share. In the early 1990s, the first Bottoming Book taught tens of thousands of people that bottoming -- being a submissive, masochist, slave, 'boy' or 'girl, ' or other BDSM recipient -- is as much an art as topping. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players.

This new edition of the bottoming book continues to teach the technique but also offers emotional support and ethical interaction to those curious or concerned about the consequences of BDSM.

Two decades ago, this book (and its companion volume, *The New Bottoming Book*) began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised *New Topping Book* gives even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! "Easton and Hardy tackle the Top... and bring that elusive critter down neatly and with a certain flair. This is good stuff, important stuff... an excellent guide to topping, both for the rank novice and for the player who just wants words to put to all the thoughts and feelings that have resisted categorization." - Laura Antoniou, *Sandmutopian Guardian*

The classic guide to love, sex, and intimacy beyond the limits of conventional monogamy has been fully updated to reflect today's modern attitudes and the latest information on nontraditional relationships. For 20 years *The Ethical Slut* has dispelled myths and showed curious readers how to maintain a successful polyamorous lifestyle through open communication, emotional honesty, and safer sex practices. The third edition of this timeless guide to communication and sex has been revised to include interviews with poly millennials (young people who have grown up without the prejudices their elders encountered regarding gender, orientation, sexuality, and relationships), tributes to poly pioneers, and new sidebars on topics such as asexuality, sex workers, and ways polys can connect and thrive. The authors also include new content addressing nontraditional relationships beyond the polyamorous paradigm of "more than two": couples who don't live together, couples who don't have sex with each other, nonparallel arrangements, couples with widely divergent sex styles, power disparities, and cross-orientation relationships, while utilizing nonbinary gender language and new terms that have come into common

The Heart of Dominance is a how-to guide to the concepts and skills at the heart of consensual dominance. If you are new to dominance, still figuring out just what it's all about or what you want it to mean to you, then this book will provide you with a solid foundation from which to start. If you already practice dominance and are interested in improving your ability to create deep and lasting power dynamics then you'll find many advanced concepts and concrete techniques to integrate into your own personal style. If you have an interest in the bedrock principles of inspiring, deepening, maintaining and enjoying control over a person who dearly, desperately wants you to control them, then this book is for you.

Whether you're a trembling novice or a jaded expert, there's always something new to be discovered in the endlessly changing, complex and titillating world of kink. While there are plenty of other books out there that explain how to give a spanking or tie a half-hitch, *Playing Well With Others* is the first book that explains kink *culture* -- the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums and all the other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a

community. You'll learn to:

- Examine your own motivations, needs, wants and desires
- Ease your way into established communities
- Understand etiquette in different adventurous sex communities
- Familiarize yourself with the many types of events available to you
- Care for your relationships as you explore new territory
- Negotiate for play and aftercare
- Go back to the "world at large" without ruffling feathers
- ...and, of course, answer the all-important question: What do you wear?!

The team of Harrington and Williams offers 30-plus years of experience in diverse kink communities: top, bottom and switch; gay, bi and straight; female, male and trans; white and POC. Both former titleholders and international educators, they are an unbeatable pair of "sexual sherpas" with an inimitable voice and a great deal of wisdom. *Playing Well With Others* is an unprecedented and essential guidebook for anyone who wants to explore or understand the "community" aspect of the kink lifestyle.

In any consenting and negotiated personal service relationship, there are hundreds of ways in which the servant can make the master's life easier, and the master can manage the servant most effectively. Why is it that we usually only hear about a few of these ways, mostly sexual service, kinky play, and BDSM, or perhaps leather care or formal tea service? From housework to driving to child care to personal care,

nearly anyone who is in service (or who would like to be) has dozens of skills they already know that they can offer as a service, and there are countless more practical everyday skills they can learn. Real Service is a handbook for service-oriented submissives and the people they serve, providing techniques to help a service relationship function smoothly, and suggestions for service that can be offered.

A Guide to Infinite Sexual Possibilities, Beyond the often unrealistic ideal of lifetime, monogamy lies an uncharted jungle of delightful, options - everything from committed multi-partner, relationships to friendly sex, casual sex, group, sex, and more. In this groundbreaking volume, "Bottoming Book" and "Topping Book" authors, provide a road map fro exploring this sometimes, difficult, often rewarding territory. Warm, informative detials about how to get your needs, met, manage your jealousy, make agreements that...

Sexual Outsiders looks at the challenges and experiences of those in the BDSM community and explores the erotic and psychological landscape of this often misunderstood culture, concepts of power, personal growth, overcoming challenges, and forming communities.
