NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA Book Club Pick! A magnificent new novel from the Nobel laureate Kazuo Ishiguro—author of *Never Let Me Go* and the Booker Prize-winning *The Remains of the Day*. *Klara and the Sun*, the first novel by Kazuo Ishiguro since he was awarded the Nobel Prize in Literature, tells the story of Klara, an Artificial Friend with outstanding observational qualities, who, from her place in the store, watches carefully the behavior of those who come in to browse, and of those who pass on the street outside. She remains hopeful that a customer will soon choose her. *Klara and the Sun* is a thrilling book that offers a look at our changing world through the eyes of an unforgettable narrator, and one that explores the fundamental question: what does it mean to love? In its award citation in 2017, the Nobel committee described Ishiguro's books as "novels of great emotional force" and said he has "uncovered the abyss beneath our illusory sense of connection with the world."

*The Psycho-Analysis of Children*, first published in 1932, is a classic in its subject, and revolutionised child analysis. Melanie Klein had already proved, by the special technique she devised, that she was a pioneer in that branch of analysis. She made possible the extension of psycho-analysis to the field of early childhood, and in this way not only made the treatment of young children possible but also threw new light on psychological development in childhood and on the roots of adult neuroses and psychoses.

Helping therapists navigate the complexities of emotional interactions with clients, this book provides practical clinical guidelines. Master clinician Karen J. Maroda adds an important dimension to the psychodynamic literature by exploring the role of both clients' and therapists' emotional experiences in the process of therapy. The book discusses how to become more attuned to one's own experience of a client; offer direct feedback and self-disclosure in the service of treatment goals; and manage intense feelings and conflict in the relationship. Specific techniques are illustrated with vivid case examples. Maroda clearly distinguishes between therapeutic and nontherapeutic ways to work with emotion in this candid and instructive guide.
