The Care Quality Commission (CQC) assesses how well-led trusts are. The criteria it uses in its reviews – its ‘well-led domain’5 – are influenced by the Francis report.6 The matron’s role in this is to ensure a culture of caring and continuous improvement through clear standards of behaviour and zero tolerance of poor care.

~~The matron’s handbook —Improvement~~

Effective implementation strategies might facilitate patient-centered medical home (PCMH) uptake and spread by targeting barriers to change. Evidence-based quality improvement (EBQI) is a multi-faceted implementation strategy that is based on a clinical-researcher partnership. It promotes organizational change by fostering innovation and the spread of those innovations that are successful.

~~Assessing fidelity to evidence-based quality improvement~~
