Biography of Raja Shivaji, 1627-1680, Maratha ruler in India.

'The epic text of Ranjit Desai's Shriman Yogi finds new voice in Vikrant Pande's nuanced translation, an immersive narrative of the foundations of the Maratha empire and the saga of its charismatic founder.' - Namita Gokhale. Young Shivaji reaches Pune, a dying fort city, with his mother Jijabai and lights the first lamp within its ruins. While his father Shahaji Bhosle is away on deputation by the Adil Shah sultanate after having failed in a revolt against it, Shivaji learns how an empire is built from the ground up. Thus begins the life of the Great Maratha. What awaits Shivaji is nothing short of the vast scroll of history, and it takes him from Surat to Thanjavur and all the way to Aurangzeb's durbar in Agra. He dreams of freeing his land from the clutches of Mughal rule, and though he suffers many defeats and personal losses along the way he never gives up his vision of Hindavi Swaraj. Amidst political intrigue and a chain of skirmishes,

Shivaji becomes a leader, a warrior and a tactician par excellence, driven by immense pride and love for his motherland.

Hindutva icon or secular nationalist? Feudal potentate or peasants\' king? Protector of cows and brahmins or shudra ruler? Medieval marauder or builder of an empire?//Who was Shivaji?//This punchy, readable book provides a new perspective on a popular hero of Indian history. After this, Shivaji will never be the same again.//Govind Pansare was one of Maharashtra\'s most prominent public intellectuals. And among the bravest. He was felled by an assassin. But his rationalist view of human history is impossible to kill. This book is testimony to the power of ideas.

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. We have represented this book in the same form as it was first published. Hence any marks seen are left intentionally to preserve its true nature.

"States fall, empires break up, dynasties become extinct, but the memory of a true "hero as King" like Shivaji remains an imperishable historical legacy..." - Jadunath Sarkar, House of Shivaji (1919) Shivaji Bhonsle was an Indian warrior king who went on to lay the foundation of the strong

Maratha Empire. The first Chhatrapati, he is known to have outdone his predecessors as well as successors in giving an identity and status to Marathas. A tactful military commander and skilled administrator, he steadily built his army from a mere two thousand soldiers to almost five-fold, and also developed a naval force. He defeated Afzal Khan and Adil Shah, giving strong resistance to the Mughal forces. From forming guerilla forces to immensely contributing in the development of the civilization of Marathas, he carved a niche in all spheres of operation. Shivaji: The Great Rebel explores the lifespan of Shivaji as an Indian king who instigated a new fire in the hearts of people against the Mughal Empire and taught them to fight for their rights. It highlights Shivaji as one of the prominent rulers to inspire people to fight for Hindu pride and raise their voice against cruelty. He stood up to guard and preserve the nation's honour, and is a great source of inspiration till date.

Shivaji is a well-known hero in western India. He defied Mughal power in the seventeenth century, established an independent kingdom, and had himself crowned in an orthodox Hindu ceremony. The legends of his life have become an epic story that everyone in western India knows, and an important part of the Hindu nationalists' ideology. To read Shivaji's legend today is to find expression of deeply held convictions

about what Hinduism means and how it is opposed to Islam. James Laine traces the origin and development of the Shivaji legend from the earliest sources to the contemporary accounts of the tale. His primary concern is to discover the meaning of Shivaji's life for those who have composed-and those who have read-the legendary accounts of his military victories, his daring escapes, his relationships with saints. In the process, he paints a new and more complex picture of Hindu-Muslim relations from the seventeenth century to the present. He argues that this relationship involved a variety of compromises and strategies, from conflict to accommodation to nuanced collaboration. Neither Muslims nor Hindus formed clearly defined communities, says Laine, and they did not relate to each other as opposed monolithic groups. Different sub-groups, representing a range of religious persuasions, found it in their advantage to accentuate or diminish the importance of Hindu and Muslim identity and the ideologies that supported the construction of such identities. By studying the evolution of the Shivaji legend, Laine demonstrates, we can trace the development of such constructions in both pre-British and post-colonial periods.

Meet the heroes who changed the world! In the land of the Marathas, there was once a fearless young ruler called Shivaji. He was

Acces PDF The Story Of Shivaji Maharaj History For Kids Mocomi

known for his bravery and effective war strategies. This young man went on to become Chhatrapati Shivaji Maharaj-one of India's greatest kings, and a thorn in the side of the mighty Mughal Empire. The Maratha Empire that he established changed the course of India's history, becoming a major military power. Fifth in a series of illustrated books created for young readers to get to know our world heroes better, this engaging biography, peppered with little-known facts, takes the reader through the awe-inspiring journey of Shivaji, built on his determination and valour as well as his exemplary victories.

Chhatrapati Shivaji Maharaj is a hero who ignited the thought of freedom in minds of Indian people. His brave acts and his work was so great that it brought up a big change in Western India. This book presents the life of Chhatrapati Shivaji through a series of 44 short stories. It is author's interpretation of Shivaji Maharaj, his life and his bravery. These 44 short stories include the lesser known stories of the brave men who sacrificed their life for Swarajya. The author has made these stories interesting for the readers by adding bit of imagination. This book proves that the greatness of Shivaji Maharaj is beyond the boundaries of time and distance which makes him truly an Eternal King.

"Land of the Marathas, Western India, 1641-1660 The Indian sub - continent is ruled by three tyrannical Sultanates... the powerful Mughals in the North, and the Shia rulers - Adilshah and Qutubshah in the South. The native population, suppressed for centuries, is subjected to slavery, bigotry, injustice and even torture. Through generations of subservience, the very idea of freedom has been wiped from their minds. As incessant battles rage between the Sultanates, the soldiers who fight and die on the battlefields are mostly Marathas, sons of the soil. Villages and crops are repeatedly razed by the invading armies, men killed in both peacetime and war, their women abducted. Maharashtra, once a prosperous land ruled by competent native rulers and inhabited by peaceful people, has been reduced almost to a wasteland. In this dark era, the sixteen-year-old son of an Adilshahi jagirdar stands up to declare: "I shall not serve, and neither shall my people!" The dream of a free State and an identity for his peoples mouldering in his heart, he dares to rebel against the powerful Sultan, Adilshah. He begins with nothing... no army, no weapons and an empty treasury. Yet he achieves what no soldier, chieftain or king has ever achieved in defiance of the imperialists who rule. 300 Brave Men is the incredible story of Chhatrapati Shivaji Raje Bhosale, a legendary warrior king, guerrilla fighter, brilliant
