The Vindico (The Vindico, #1) by Wesley King

The Vindico are a group of supervillains who have been fighting the League of Heroes for as long as anyone can remember. Realizing they're not as young as they used to be, they devise a plan to kidnap a group of teenagers to take over for them when they retire--after all, how hard can it be to teach a bunch of angsty teens to be evil?

About the Book... Our school invited author Wesley King to speak to the Grade 7 and 8 students and he was funny, approachable, and humble. All the kids were engaged and mesmerized by the author of The Vindico and his story of aging super villains that recruit teenagers to take their place in the future.

When supervillains of the Vindico realize they are getting too old to fight the League of Heroes, they kidnap and begin training five teens, but James, Lana, Hayden, Emily, and Sam will not become the next generation of evil without a fight.

The high-octane sequel to The Vindico, for superhero fans everywhere! After using their new superpowers to defeat their evil mentors, James, Hayden, Sam, Emily, and Lana are ready to join the League of Heroes. But as their induction into the League draws near, they are framed by a group of rogue Heroes and given life sentences on the Perch, and the only one who can clear their names is missing. Unsure of who to trust or where to turn, the teens' new skills are further put to the test when a group of strange Shadow people start trailing their every move and the Vindico, their group of evil mentors, are let out of prison.

#1 New York Times Bestseller Reggie has never felt destined for greatness. He dreams about basketball brilliance all day and night, but the hard truth is that he's a benchwarmer for the West Bottom Badgers, the worst team in the league. Even their mysterious new coach, Rolabi Wizenard, can't seem to help them end their losing streak. Reggie is willing to train tirelessly to improve his game, but the gym itself seems to be working against him in magical ways. Before Reggie can become the player he dreams of being, he must survive the extraordinary trials of practice. Basketball legend Kobe Bryant presents this illuminating follow-up to the #1 New York Times bestseller The Wizenard Series: Training Camp—a story of strain and sacrifice, supernatural breakthroughs, and supreme dedication to the game.

#1 New York Times Bestseller From the mind of basketball legend and Academy Award-winning storyteller Kobe Bryant comes this radically original portrait of five young basketball players, one enlightening coach, and the awesome transformative power of the game. Filled with insights about the mental stamina and emotional clarity that peak performance requires, this is an indispensable story for young athletes, coaches, educators, and anyone interested in the astonishing potential of team sports to unlock individual growth. THE GAME WILL NEVER BE THE SAME Magic doesn't seem possible for the West Bottom Badgers. They're the lowest-ranked basketball team in their league, and they live in the poorest neighborhood in Dren. Nobody expects them to succeed at anything. Plus, every kid on the team has secret struggles of his own. When a new coach named Professor Wizenard arrives on the first day of training camp, the Badgers can't explain the magical-seeming things they see and hear. Every player experiences unique and strange visions—visions that challenge everything they thought they knew about basketball, and about their lives and their secrets off the court. To survive the increasingly intense ordeals of training, the Badgers will need to take unimaginable risks, learn to trust their teammates, and confront the darkness within themselves.

Marcus and Dree's efforts to organize a quest to find the storied, magical Egg are challenged by the reluctance of Dracone's rebels and dragons and the advancing war against Francis' army of drones.

Lord of the Flies meets Star Trek in this outer space story of adventure, mystery, and fantastical fun from the author of The Vindico and The Feros. When Jonah wakes up on the Fantastic Flying Squirrel, he's a bit confused. One second he is in his family's living room doing his homework, and the next he's sitting on a very cold floor on a very cold ship with a very strange-looking girl staring at him. Her name is Willona the Awesome, and she's here to welcome him to The Incredible Space Raiders. Now that Jonah is on board, the Incredible Space Raiders can set off on an important mission: to venture into the Dark Zone and save the universe from the Entirely Evil Things. But when Space Raiders start to disappear, Jonah realizes that if he's going to make it to the Dark Zone alive, he's going to have to step up and figure out what's going on. Join the Space Raiders aboard the Fantastic Flying Squirrel for an unforgettable journey where imagination and truth collide somewhere deep in space!

A young computer genius is chased by sleek, high-tech drones into a land populated by Godzilla-size dragons, setting off a war that only he can stop. Part Eragon, part Transformers, with a magical beating heart at its center. Marcus Brimley was just four years old when his CIA analyst father went missing and the world branded him a traitor. Eight years later, searching for clues to find his father and prove his innocence, Marcus breaks a complex code that sends him shooting through a storm into an alternate realm . . . but he doesn't travel alone. When Marcus lands in this new world, Dracone, he finds that he has been followed by government drones. And they're out to destroy Marcus and all of Dracone. While fleeing the drones, Marcus meets Dree, a twelve-year-old Draconian girl who comes from a family of dragon riders. Dree explains to Marcus that while humans and dragons used to be friends,

Access Free The Vindico 1 Wesley King

Dracone's new prime minister has turned them into enemies, with humans hunting dragons for sport and dragon-riding families like Dree's pushed to the poorer outskirts of the city. But the drones are firing on both the dragons and the people of Dracone. Soon, Marcus and Dree discover that they must get help from the dragons if they want to stop an all-out war that will leave the incredible realm of Dracone decimated.

A thirteen-year-old boy's life revolves around hiding his obsessive compulsive disorder until a girl at school, who is unkindly nicknamed Psycho Sara, notices him for the first time and he gets a mysterious note that changes everything.

"A swift-paced survival tale that's a cool blend of Lord of the Flies and Journey to the Center of the Earth." –School Library Journal "A sharp meditation on the seemingly universal difficulties of being young, smart, and uncertain." –BCCB "A multifaceted journey from darkness to light." –Kirkus Reviews Winner of the Red Maple Fiction Award A class field trips turns into an underground quest for survival in the latest middle grade novel from the author of Edgar Award winner OCDaniel. Mr. Baker's eighth grade class thought they were in for a normal field trip to Carlsbad Caverns in New Mexico. But when an earthquake hits, their field trip takes a terrifying turn. The students are plunged into an underground lake...and their teacher goes missing. They have no choice but to try and make their way back above ground, even though no one can agree on the best course of action. The darkness brings out everyone's true self. Supplies dwindle and tensions mount. Pretty and popular Silvia does everything she can to hide her panic attacks, even as she tries to step up and be a leader. But the longer she's underground, the more frequent and debilitating they become. Meanwhile, Eric has always been a social no one, preferring to sit at the back of the class and spend evenings alone. Now, he finds himself separated from his class, totally by himself underground. That is, until he meets an unexpected stranger. Told from three different points of view, this fast-paced adventure novel explores how group dynamics change under dire circumstances. Do the students of Mr. Baker's class really know each other at all? Or do they just think they do? It turns out, it's hard to hide in the dark.

"Readers will appreciate [Sara] as good literary company even as they develop sympathy for her struggles." –BCCB "It's the vivid, insightful depiction of Sara's internal struggles that readers will remember." –Booklist "A must-buy." –School Library Journal (starred review) In this prequel to the Edgar Award-winning OCDaniel, fan-favorite Sara quests for "normal" and finds something even better along the way. Sara's Rules to be Normal 1. Stop taking your pills 19. Make a friend 137. Don't put mayonnaise on peanut butter and jelly sandwiches. Sara wants one thing: to be normal. What she has instead are multiple diagnoses from Dr. Ring. Sara's constant battle with False Alarm—what she calls panic attacks—and other episodes cause her to isolate herself. She rarely speaks, especially not at school, and so she doesn't have any friends. But when she starts group therapy she meets someone new. Talkative and outgoing Erin doesn't believe in "normal," and Sara finds herself in unfamiliar territory: at the movies, at a birthday party, and with someone to tell about her crush—in short, with a friend. But there's more to Erin than her cheerful exterior, and Sara begins to wonder if helping Erin will mean sacrificing their friendship.
