These Magi (otherwise known as "Wise Men") were a special class of priests in the Persian Empire that had been around for a long time, at least since Daniel was appointed to be their leader by King Nebuchadnezzar .

What Is the Significance of the Three Wise Men and Their ...

Answer: We assume that there were three wise men because of the three gifts that were given: gold, incense, and myrrh ( Matthew 2:11 ). However, the Bible does not say there were only three wise men. There could have been many more. Tradition says that there were three and that their names were Gaspar/Caspar, Melchior, and Balthasar/Balthazar, but since the Bible does not say, we have no way of knowing whether the tradition is accurate.

What does the Bible say about the three wise men (Magi ...

The Greek word for the wise men is μαγοι, (magi). It is from this word that we get our word magician. At that time, the boundary between those who attempted to perform occult experiments and those who performed legitimate science would have been blurred.

The Wise Men and the Star | Creation Today

The Magi or Wise Men The magi first appear in history in the seventh century B.C. as a tribe within the Median nation in eastern Mesopotamia. Many historians consider them to have been Semites and that the Jews and Arabs are both descendants of Noah's son Shem.

### The Wise Men

The Bible story of the Three Wise Men, from the gospel of Matthew, is also known as the biblical Magi or the Three Kings. This Bible story regards a group of scholarly foreigners who traveled to visit Jesus after his birth, bearing gifts of gold, frankincense, and myrrh.

### Three Wise Men - Bible Story Verses & Summary

The Wise Men: Six Friends and the World They Made is a non-fiction book authored by Walter Isaacson and Evan Thomas. Published by Simon & Schuster in 1986, it describes the actions of a group of U.S. federal government officials and members of the East Coast foreign policy establishment. Starting in the immediate post-World War II period, the group developed the containment policy of dealing with the Communist bloc during the Cold War. They also helped to craft institutions and initiatives such

### The Wise Men (book) - Wikipedia

There isn't any sky objects that would have directed the wise men to a particular house. The Star of the Magi seems more likely to be in the realm of the miraculous or supernatural. Sky sights ahead. On Dec. 21, winter officially begins with the sun farthest South and lowest in the midday sky.

### What was the star of the Magi? | Columns | times-news.com

In the Gospel of Matthew, the Magi, often called the "Wise Men," are said to have followed a star to the creche of the prophesied Christchild, bringing gifts of gold, frankincense, and myrrh, representing Christ's kingship, divinity, and humanity. While some traditions imagine a cadre of twelve sages, the more popular western tradition ...

Jay Tyson's book *The Wise Men of the West* is a fascinating exploration of religion. It is both a fictional mystery adventure and a historical account, especially of the 1800s of humanity's efforts to understand the meaning and purpose of life.

*The Wise Men of the West: A Search for the Promised One* in ...

The animated family film, *The Three Wise Men*, originally was released on DVD in 2006 but was released on digital home video for the first time this Christmas season. It is streaming for free for Amazon Prime members. The husband-and-wife filmmaking team of Yarrow and Carrie Cheney wrote it and directed it.

A captivating blend of personal biography and public drama, *The Wise Men* introduces the original best and brightest, leaders whose outsized personalities and actions brought order to postwar chaos: Averell Harriman, the freewheeling diplomat and Roosevelt's special envoy to Churchill and Stalin; Dean Acheson, the secretary of state who was more responsible for the Truman Doctrine than Truman and for the Marshall Plan than General Marshall; George Kennan, self-cast outsider and intellectual darling of the Washington elite; Robert Lovett, assistant secretary of war, undersecretary of state, and secretary of defense throughout the formative years of the Cold War; John McCloy, one of the nation's most influential private citizens; and Charles Bohlen, adroit diplomat and ambassador to the Soviet Union.

From Beau Wise and Tom Sileo comes *Three Wise Men*, an incredible memoir of family, service and sacrifice by a Marine who lost both his brothers in combat--becoming the only "Sole Survivor" during the war in Afghanistan. Shortly after the 9/11 attacks, three brothers by blood became brothers in arms when each volunteered to defend their country. No military family has sacrificed more during the ensuing war, which has become the longest ever fought by America's armed forces. While serving in Afghanistan, US Navy SEAL veteran and CIA contractor Jeremy Wise was killed in an al Qaeda suicide bombing that devastated the US intelligence community. Less than three years later, US Army Green Beret sniper Ben Wise was fatally wounded after volunteering for a dangerous assignment during a firefight with the Taliban. Ben was posthumously awarded the Silver Star, while Jeremy received the Intelligence Star--one of the rarest awards bestowed by the U.S. government--and also a star on the CIA's Memorial Wall. United States Marine Corps combat veteran Beau Wise is the only known American service member to be pulled from

the battlefield after losing two brothers in Afghanistan. Told in Beau's voice, Three Wise Men is an American family's historic true story of service and sacrifice.

"The perfect Christmas gift for anyone interested in the historical background behind the birth of Jesus of Nazareth." – Robert J. Hutchinson, author of *The Politically Incorrect Guide to the Bible*, *The Dawn of Christianity*, and *Searching for Jesus*. "Utterly refreshing and encouraging." – Eric Metaxas, New York Times bestselling author of *Bonhoeffer: Pastor, Martyr, Prophet, Spy* and *Martin Luther* "The best book I know about the Magi." – Sir Colin John Humphreys, Ph.D., author of *The Mystery of the Last Supper* Modern biblical scholars tend to dismiss the Christmas story of the "wise men from the East" as pious legend. Matthew's gospel offers few details, but imaginative Christians filled out the story early on, giving us the three kings guided by a magical star who join the adoring shepherds in every Christmas crèche. For many scholars, then, there is no reason to take the gospel story seriously. But are they right? Are the wise men no more than a poetic fancy? In an astonishing feat of detective work, Dwight Longenecker makes a powerful case that the visit of the Magi to Bethlehem really happened. Piecing together the evidence from biblical studies, history, archeology, and astronomy, he goes further, uncovering where they came from, why they came, and what might have happened to them after eluding the murderous King Herod. In the process, he provides a new and fascinating view of the time and place in which Jesus Christ chose to enter the world. The evidence is clear and compelling. The mysterious Magi from the East were in all likelihood astrologers and counselors from the court of the Nabatean king at Petra, where the Hebrew messianic prophecies were well known. The "star" that inspired their journey was a particular planetary alignment—confirmed by computer models—that in the astrological lore of the time portended the birth of a Jewish king. The visitors whose arrival troubled Herod "and all Jerusalem with him" may not have been the turbaned oriental kings of the Christmas carol, but they were real, and by demonstrating that the wise men were no fairy tale, *Mystery of the Magi* demands a new level of respect for the historical claims of the gospel.

Each Christmas, adults and children alike delight at the story of the kings from the East who followed the star to Bethlehem to offer gifts to the newborn Christ. While this familiar tale is recorded in the Gospel of Matthew, another little-known version later emerged that claimed to be the eyewitness account of the wise men. This ancient manuscript has lain hidden for centuries in the vaults of the Vatican Library, but through the determined persistence of a young scholar, Brent Landau, this astonishing discovery has been translated into English for the very first time as the *Revelation of the Magi*. Everything we know about the wise men is based on only a few verses from the Bible. With the *Revelation of the Magi*, we can now read the story from the Magi's perspective. Readers will learn of the Magi's

## Read Online The Wise Men Of The Wires The History Of Faraday House

prophecies of God's incarnation from the beginning of time, their startling visitation in the form of a star, the teachings they receive from the baby Jesus, and the wise men's joyous return to their homeland to spread the good news. This ancient version of the Christmas story is guaranteed to astonish and delight. It will also raise larger questions of the significance and meaning of Christ's birth, and the mission to spread the good news to every corner of the globe. All the drama and intrigue of the brief description of Jesus's birth in the Bible is filled out in greater, more colorful detail, offering for the first time the complete story of these beloved characters.

Story of Artaban, the "fourth wise man," who sold all he possessed and bought three jewels to present to the Christ child. He helped people while on his search for the new-born Messiah, and fulfilled his goal on the day of Christ's Crucifixion. Artaban could not have predicted how his eventful journey would end.

The Wise Men Journey is an invitation to guide your family, for twenty-five days, in discovering the hidden treasures in the Word of God. John 1:9 says: The One who is the true light, who gives light to everyone, was coming into the world. How incredibly amazing, to know that the King of Heaven came into the world so that you can know Him because you are valuable in His eyes. Love came down from Heaven at Christmas, to find His resting place in the hearts of all mankind. This is a Christmas love story you don't want to miss. Through creative story telling of the Christmas Bible story, short devotions for interaction and prayer, you can guide your family on a joyful journey filled with new excitement. Join the wise men every evening as a family on this twenty-five-day journey, searching for The King.

In this work, Patrick Whitworth explores the writings of Basil of Caesarea, Gregory of Nyssa, and Gregory Nazianzen and shares their understanding of the purpose and scope of theology.

Almost overnight, Arthur Wise has become one of the wealthiest and most powerful attorneys in America. His first big purchase is a simple beach house in a place called Bluepoint, a town on the far edge of the flexed arm of Cape Cod. It's in Bluepoint, during the summer of 1952, that Arthur's teenage son, Hilly, makes friends with Lem Dawson, a black man whose job it is to take care of the house but whose responsibilities quickly grow. When Hilly finds himself falling for Lem's niece, Savannah, his affection for her collides with his father's dark secrets. The results shatter his family, and hers. Years later, haunted by his memories of that summer, Hilly sets out to find Savannah, in an attempt to right the wrongs he helped set in motion. But can his guilt, and his good intentions, overcome the forces of history, family, and identity? A beautifully told multigenerational story about love and regret, Wise Men confirms that Stuart Nadler is one of the most exciting young writers at work today

\*Includes pictures \*Includes Biblical and other accounts of the Magi \*Includes a bibliography for further reading

In almost every nativity scene today are shown three kings presenting gifts to the newborn baby Jesus, and though everyone is familiar with the Three Wise Men, they are also some of the most mysterious characters from the Bible. According to Scripture, they journeyed from an unnamed land to Bethlehem, bearing gifts for Jesus Christ, and then disappeared. They were the first Christian pilgrims, they later became the patron saints of travelers, and their image is on millions of Christmas cards. Nevertheless, over 2,000 years later, little is known of where they came from and where they went, and most of what people think they know about the Magi does not actually come from the Bible but from assorted myths that have emerged over the millennia. The Bible does not, in fact, say that the three men were kings - this was a detail added later. Most startling of all is that the Bible does not even say that there were three men. Moreover, it seems unlikely that the Magi were actually present on the night that Jesus was born. According to the Book of Luke, Joseph and Mary brought Jesus to the Temple in Jerusalem 40 days after Jesus was born, which means they had remained in Bethlehem for some time after his birth: "And when the days for their purification according to the law of Moses were completed, they brought Him up to Jerusalem to present Him to the Lord." In fact, in the course of describing the visit of the Magi, the Bible clearly notes there had been time enough for Joseph and Mary to find a house in Bethlehem: "On coming to the house, they saw the child with his mother Mary, and they bowed down and worshiped him. Then they opened their treasures and presented him with gifts of gold, frankincense and myrrh. And having been warned in a dream not to go back to Herod, they returned to their country by another route." These Magi were wealthy and well-educated. They likely came from Persia, but they had been ordered by King Herod to discover the location of Christ, purportedly so that Herod could pay homage to the child, but in all likelihood to murder the newborn threat to his power. Word quickly reached King Herod of the arrival of a new-born "King of the Jews," and since he was understandably unwilling to allow any threat to his own authority, Herod was determined to do away with this child. He sent soldiers to kill all of the boys that were up to two years old in and around Bethlehem - an event known as the "Massacre of the Innocents." It was a tragic event for many families in the city, but Jesus was evidently safe on his way to Egypt with his parents. So what exactly is known of these mysterious figures that lived in the time of Christ? There is still plenty of intrigue and mystery surrounding the Magi's story, but it's apparent they were inextricably linked to that of Herod the Great, who ruled over Judea when Jesus was born and who is to this day reviled as the evil king who tried to kill the Christ child during the slaughter of the innocents. Herod, the king that the Romans had placed on a throne he had no right to, was prone to violent rages and extreme paranoia. He had a fearsome reputation, having already killed his own wife, several sons, and hundreds of political

opponents, and is said to have suffered from all kinds of ailments, including chronic kidney disease and gangrene. Yet there was another side to this brutal king; he was the greatest builder in the history of the land, and he left behind magnificent monuments that still dazzle the eye 2,000 years later. Who was Herod the Great - a murderous madman, a brilliant king, or both? *The Three Wise Men: The History and Legacy of the Biblical Magi* examines the known and unknown about some of the most important figures in the Bible. Along with pictures depicting important people, places, and events, you will learn about the Magi like never before.

Tomie dePaola's beloved 1983 classic returns to print just in time for the holiday season! Three wise men of the East, having seen a new star symbolizing the birth of a great king, follow the star to Bethlehem where they present gifts to the newborn Jesus. This beautiful rendition of the well-known tale is sure to delight young readers.
