I'm a stranger in paradise All lost in a wonderland A stranger in paradise If I stand starry-eyed That's a danger in paradise For mortals who stand beside an angel like you I saw your face and I ascended out of the commonplace into the rare somewhere In space I hang suspended Until I know there's a chance that you care Won't you answer this fervent prayer Of a stranger in paradise

"In Assassin of Youth, Alexandra Chasin gives us a lyrical, digressive, funny, and ultimately riveting quasi-biography of Anslinger. Her treatment of the man, his times, and the world that arose around and through him is part cultural history, part kaleidoscopic meditation. Each of the short chapters is anchored in a historical document--the court decision in Webb v. US (1925), a 1935 map of East Harlem, FBN training materials from the 1950s, a personal letter from the Treasury Department in 1985--each of which opens onto Anslinger and his context. From the Pharmacopeia of 1820 to death of Sandra Bland in 2015, from the Pennsylvania Railroad to the last passenger pigeon, and with forays into gangster lives, CIA operatives, and popular detective stories, Chasin covers impressive ground. Assassin of Youth is as riotous and loose a history of drug laws as can be imagined--and yet it culminates in an arresting and precise revision of the emergence of drug prohibition. ..."--Publisher description.

The legendary singer reflects on his career, the recurring themes in his life, and the inspiration that shapes his music and his art, in a musical memoir enhanced by reproductions of his own artwork and a CD containing some of the author's favorite songs.

He's that regular guy from Astoria, Queens, who left his heart in San Francisco. He's the postwar heartthrob who inspired hundreds of young girls to wear black outside St. Patrick's Cathedral on his wedding day. He's the darling of the MTV generation who made music history when, at the age of 68, he won the coveted Grammy Award® for Album of the Year. He's the consummate artist known worldwide for his paintings. He's Tony Bennett, whose star shines brighter than ever as he enters his fifth decade of performing. Now, for the first time, this legend shares his amazing life story -- in a voice that's pure Tony Bennett: warm, resonant, and unforgettable. "Tony Bennett has not just bridged the generation gap, he has demolished it," praised The New York Times. Since his appearance with the Red Hot Chili Peppers of the 1993 MTV Video Awards, and the addition of his seminal video, "Steppin' Out," to the MTV playlist, Bennett has become the hottest -- and coolest -- pop-culture icon for today's younger listeners, while remaining beloved by their parents and grandparents. An astonishing four generations have experienced the Tony Bennett magic -- the mesmerizing spell of a singer in love with singing, who embraces his audience with a soulful serenity communicated by both the man and his music. Honored with countless awards, including eight Grammys, and with more than ninety albums to his credit (more than thirty million sold for the Columbia label alone), no other recording artist has attained Bennett's stature -- or garnered the half-century of memories shared in The Good Life. From Sinatra, Judy Garland and Ella Fitzgerald, to k.d. lang and Elvis Costello, Bennett shares his unique takes on the most fascinating talents of our time. Here is the story of his lifelong love affair with art, music, and performing -- from his childhood in Depression-era Queens, where opera and Billie Holiday flowed freely; to his stint as a singing waiter; to soaking up the New York jazz scene in the 1940s. With crisp wit and firmly grounded emotion, Bennett captures the people and places that shaped his sublime performances. The dozens of hits he introduced to the great American songbook, including "Because of You," "Rags to Riches," "Cold, Cold Heart," and his signature song, "I Left My Heart in San Francisco," remain a legacy of truth and beauty for the classic art of intimate singing. In this wonderfully revealing self-portrait, we get to know Tony Bennett as he really is: an unpretentious and thoughtful human being. His key to success is consistency: His constant dedication in his pursuit of excellence has never wavered, despite the trials and tribulations one can encounter when placing integrity above all else. Through all of his personal and artistic challenges, he has remained, in his own words, "a humanist" whose Zen-like philosophy of life is an inspiration for all ages. Like the fascinating story he shares in The Good Life, Tony Bennett is one of a kind, an American treasure, an enduring artist seasoned with experience and self-knowledge, and a true class act.
