The van seems to be hard on front brakes. Replaced the torque converter at around 100,000 miles. Replaced rear shocks at 175,000 miles. Replaced A/C compressor at 150,000 miles. General Comments: This van is a fine representative of Toyota reliability. It stranded me one time; when the torque converter went bad.

toyota van 1988 / eBay

The Toyota LiteAce and TownAce are a line of light commercial and derivative passenger vans produced by the Japanese car manufacturer Toyota. These vehicles originally utilized the cab-over-engine configuration, although since 1996 a semi-cab-over arrangement has featured instead. The LiteAce launched in 1970 as light-duty truck, with commercial and van/wagon body variants added in 1971.

Toyota recalled almost 12,000 2018 Camrys over improper fuel pipe and hose connections. (Toyota) Toyota Motor Company has issued a safety recall for certain Toyota Camry and Lexus RC-F, GS F and ...

When the war ended on August 15, 1945, I was a naval engineering cadet at the Kure Navy Yard near Hiroshima, Japan. A week later, I was demobilized and returned to my home in Tokyo, fortunate not to find it ravaged by firebombing. At the beginning of September, a large contingent of the American occupation forces led by General Douglas MacArthur moved its base from Yokohama to Tokyo. Near my home I watched a procession of American military motor vehicles snaking along Highway 1. This truly awe-inspiring cavalcade included jeeps, two-and-a-half-ton trucks, and enormous trailers mounted with tanks and artillery. At the time, I was a 21-year-old student in the Machinery Section of Engineering at the Tokyo Imperial University. Watching that magnificent parade of military vehicles, I was

more than impressed by the gap in industrial strength between Japan and the U. S. That realization led me to devote my whole life to the development of the Japanese auto industry. I wrote a small article concerning this incident in Nikkei Sangyo Shimbun (one of the leading business newspapers in Japan) on May 2, 1983. The English translation of this story was carried in the July 3, 1983 edition of the Topeka Capital-Journal and the September 13, 1983 issue of the Asian Wall Street Journal. The Topeka Capital-Journal headline read, "MacArthur's Jeeps Were the Toyota Catalyst.

Irregular news releases from the National Highway Traffic Safety Administration.

Vols. for 1933-1936 include "The Law journal supplement to the New Zealand law reports."
