Do you ever feel like a second-class citizen in this world? Do you wonder how God could possibly use you to change lives? For women in Bible times, these weren't even questions they thought about. Being overlooked, marginalized, having your contributions discounted because you're a woman...it's just the way things were. In this 10-lesson workbook, Max Lucado tells some of his favorite accounts of women in Scripture and the remarkable way God broke down cultural barriers to use them in the unfolding of His story. You will discover... Sarah, the woman whom God promised would give birth to a nation, but who tried to rush things when God's promises didn't seem to be coming to pass. Rahab, a prostitute in the Canaanite city of Jericho, who would save herself and her family through her faith in the one true God of the Israelites. Abigail, a woman forced to play peacemaker by the barbaric behavior of her husband. Esther, a young queen whom God placed in the Persian court for "such a time as this" to prevent the genocide of the Jewish people. Mary, the young virgin pledged to Joseph, whom God would choose to give birth to Jesus, the promised Messiah who would save the world. The Samaritan Woman, who would meet this Messiah at a well one day. His words would forever after change her life. The Canaanite Woman, who made God smile with her wit and faith, and who received from Jesus an answer to her prayer. Mary of Bethany, a friend of Jesus who witnessed the resurrection of her brother, Lazarus, and then anointed Christ in anticipation of his death and resurrection. Mary Magdalene, who followed Jesus despite the injustice of a world that judged her for her past and said she would always be considered a failure. Sapphira, a woman in the early church who, along with her husband, made the unfortunate (and deadly) decision to lie to the Holy Spirit. These stories show us there is a God who sees us where we are and loves us for who we are. He is the one who hovers over all the pages of the Bible, shaping lives, rescuing hearts, healing sicknesses, raising what was dead to life, and passing out high callings to those who choose to follow him and have faith in him. Each lesson includes: 5 Daily in-depth Bible studies to help you explore the stories in Scripture Daily points to remember to help you summarize the key points Daily prayers to help you focus your thoughts and move into your quiet time Weekly memory verses to help you hide God's word in your heart Additional notes to help you lead a group through the study Ten Women of the Bible is a standalone workbook, ideal for both individual use and for study in a small-group setting.

The few popular Bible stories about women are often presented in black and white—the women were good or bad, Ruth or Jezebel. But most of us fall somewhere in between these two extremes. Good Girls, Bad Girls invites readers to take a more nuanced look at 12 women in the Old Testament, to explore their lives more deeply in historical context, and to grasp what these stories might mean to women today. T. J. Wray, a biblical scholar, asks readers to consider whether Jezebel was really as bad as generally believed, and includes women ranging from the infamous Delilah to the mysterious Witch of Endor. Impeccably researched and beautifully written, Good Girls, Bad Girls will appeal to both individual readers and groups interested in learning what the Bible really has to say about these twelve important women.

They were ordinary, common, and in some cases shockingly low-caste, yet each was made extraordinary by her life-changing encounter with God. Readers will be challenged and motivated by Twelve Extraordinary Women, a poignant and

Acces PDF Twelve Women Of The Bible Study Guide Life Changing Stories For Today Lysa Terkeurst

personal look into the lives of some of the Bible's most faithful women. Their struggles and temptations are the same trials faced by all believers at all ages. Inside this book, best-selling author and Bible teacher John MacArthur shows that the God to whom they were so committed is the same God who continues to mold and use ordinary people today.

Based on the bestselling book coauthored with Ann Spangler, *Women of the Bible*, this study edition includes an introduction to each woman, major Scripture passages, study materials, and cultural backgrounds. There are fifty-two studies, one for each week of the year. Newly gathered study aids include helpful charts as well as a complete listing of all women of the Bible, with pertinent Scripture references. Space is included to record your thoughts and insights. Each timeless biblical story mirrors the challenges and changes today's women face. Through understanding these women's lives, this easy-to-use study resource will help you discover the God behind their stories—and yours.

In 1955 *All the Women of the Bible* appeared by the gifted authoress, Edith Deen. That book is the most exhaustive source on the theme. In this Sacred Gallery of twelve women the author has presented a mirror to modern-day life answering many of the dilemmas we face. In Abigail, we discover the triumph of a woman who was married to a fool who almost destroyed their home. In Mary Magdalene, we discover a woman who found her way out of the grip of Satan. In Rahab, there is a powerful secret to becoming part of God's redemptive plan of the ages. In Athaliah, there is a dramatic portrait of insane jealousy that led to her untimely death. Dr. Adams has packed this volume full of wisdom on how to handle family problems: how not to choose the wrong mate, how to unconditionally love your children despite their failures, how to rise above a rotten reputation, how to escape sexual temptation, how to effectively persuade your child to follow Jesus Christ, how to recognize Satan's traps, how to turn a tragedy into a triumph, and how to keep your life from being ruled by emotions. With over 3000 characters named in the Bible, women only comprise about five percent of that total. Let us not forget that Jesus turned the male domination of Bible times on its head when He forgave the adulterous woman. Women were great helpers in Jesus' ministry. It was the female gender that was last at the cross and first at the empty tomb. The Bible's portrait is that God always wants women to reach their highest potential in the Creator's design. Dr. Adams has presented a thrilling read in *Twelve Amazing Women of the Bible* with shocking details straight out of the Scriptures.

Bestselling, updated, and expanded devotional study, *Women of the Bible*, by Ann Spangler and Jean E. Syswerda, focuses on fifty-two remarkable women in Scripture—women whose struggles to live with faith and courage are not unlike your own. Special features in *Women of the Bible* include:

- A list of all the women of the Bible
- Timeline of the women of the Bible
- A list of women in Jesus' family tree
- A list of women in Jesus' life and ministry

Vital and deeply human, the women in this book encourage you through their failures as well as their successes. You'll see how God acted in surprising and wonderful ways to draw them—and you—to himself. This year-long devotional offers a unique method to help you slow down and savor the story of God's unrelenting love for his people, offering a fresh perspective that will nourish and strengthen your personal relationship with him.
