The manufacture has recognized the issue of 2.0T TSI Timing Chain Failure, as a result a revised timing chain tensioner has been put to market as an "update" or "replacement" part. The timing chain tensioner has gone through many revisions before VW/Audi was able to come up with a proper solution that would make sure the correct tension was kept on the chain. The Service Team at Redline Speed Worx (RSW) has taken this a step further to ensure the longevity of your engine.
