The sixth title in the New Species series. Wrath knows he's too dangerous and emotionally damaged to ever be with a female. Lauren has never met a man this truly spectacular, and she decides to taste every inch of his amazing body. Wrath wants to explore that plan, too. Lauren has to make him unleash his desire and Wrath has to get past his fear to give them a chance at a future together.

One look at Brawn, and Becca is wondering how he'd look without his clothes. He's also instantly attracted to her, but has sworn never to touch a human female. When they're both kidnapped and locked together in a cage, Brawn finds himself reliving a nightmare when he's once again subjected to breeding experiments at the hands of New Species' enemies.

Vanni is furious when her fiance tricks her into attending a conference where his father's church is protesting the New Species Organization. She hates everything those vile bigots stand for. Vanni goes to the bar to cool off and ends up seated next to a handsome New Species. Things heat up fast when they are both drugged. Smiley doesn't want to believe the sweet human would dose them with the breeding drug. He's willing to trust her and determined to save her life. He'll hold her. Protect her. Offer up his body to distract them both from the pain. She is his female, even if she doesn't realize it yet.

Tammy has always tried to be prepared for any calamity life might send her way but she never imagined a sexy, lion man-beast in her future. He's huge, got the most exotic, golden cat-eyes she's ever seen, and she's so terrified she's speechless for the first time in her life. He's stalking closer, growling at her, and she's too terrified to even flee. Valiant hates humans. But when he gets a whiff of the adorable human female who has invaded his territory, he starts rethinking. Her fear scents of pure, sweet temptation and the closer he gets, the more appealing she becomes. Once he's got his hands on her, he isn't about to let her go. One thought will change his life. Mine! Before Tammy can regain her senses, she's flat on her back in Valiant's bed. Now he just has to use every inch of his big, buff body to convince her that she should stay with him forever.

Dr. Allison Baker is obsessed with saving the comatose New Species male and there's only one option left. Alli will break every rule and put her life in danger by tempting 880 to wake, using only her feminine scent and touch. She just has to kidnap him and crawl into bed with him to make it work, caressing him and wrapping her sweet body around his, teasing his senses. He lies silent and still, listening and evaluating each arousing touch, fighting his body's reaction. 880 has chosen a new name-- Obsidian-- the personification of dark and dangerous. And soon he'll fight to keep Alli, no matter what.

When veterinarian Trisha Norbit is brought to a trauma center for a special patient, she discovers her patient is a half-man, half-wolf hybrid named Slade, who promises to protect her in exchange for his freedom.

Justice North is the face of New Species-- big, muscular... and dangerous. But when the sexy man purrs, all bets are off... And Jessie Dupree is the fiery human female who brings out the animal in Justice. Heartbreak is inevitable... but that won't stop them from spending every moment with their hot bodies wrapped around each other, roaring with passion...

Kat has a boss who wants dirt on the NSO. She is sent to Homeland undercover but everything goes wrong as soon as she enters the front gates. She is arrested by a big, powerful, sexy New Species but she is not frightened. He turns her on and things heat up fast between them. Now, she just hopes he does not break her heart. Darkness admires Kat has courage but he cannot trust anything she says. He has not been with a female for years because he knows he is too damaged. He is not mate material, despite his desire to possess her in every way. Darkness fears losing control, the one thing that defines his life. He does not think he can tear down the protective walls he has built, even for her.

When nurse Ellie discovers that her employer is creating human/animal hybrids for experiments, she saves one of them from a sadistic doctor and promises to set him free. When the experiment, codenamed Fury, manages to escape, he kidnaps Ellie and brings her to a secret compound called Homeland with other escaped hybrids, intending to use her as part of his plan of vengeance.

Zandy's had too much to drink and is in the wrong place at the wrong time. When next her eyes open, a beautiful man-creature is holding her in his arms. He's just too tempting to resist; she wraps herself around his body, determined to have him. But when this angel turns out to be flesh and blood, reality crashes in-- she's seducing a New Species. Tiger's shock quickly turns to intense passion when the human female kisses him, despite the fact she's trying to get his clothes off while he's engaged in a task force operation. But he and Zandy can't keep their hands off each other, and the taste and feel of this little human just leaves Tiger wanting more....
