Through texts and messages, the mega-bestselling, beloved Internet Girls series followed the ups and downs of high school for three very different, very close friends. Now it's freshman year of college for

## Read Online Yolo Internet 4 Lauren Myracle

the winsome threesome, and the first semester is full of surprises. Bubbly Angela dives headfirst into sorority life, but faced with mean girls and hazing, she wonders whether she's a Greek girl after all. By choosing Santa Cruz, Maddie is finally surrounded by like-minded (i.e., not sorority-type) people, but feels lonelier than ever. And Zoe is keeping up a long-distance relationship with Doug, her high school boyfriend. She thought they'd be together forever, but after a few awful visits . . . not so much. In the face of all this change, what are the best friends to do? Make the most of every crazy moment, that's what. You only go to college once, after all.

Chronicles, in "instant message" format, the day-to-day experiences, feelings, and plans of three friends, Zoe, Maddie, and Angela, as they begin tenth grade.

Growing up in a world of wealth and pastel-tinted entitlement, fifteen-year-old Carly has always relied on the constancy—and authenticity—of her sister, Anna. But when fourteen-year-old Anna turns plastic-perfect-pretty over the course of a single summer, everything starts to change. And there are boys involved, complicating things as boys always do. With warmth, insight, and an unparalleled gift for finding humor even in stormy situations,

beloved author Lauren Myracle dives into the tumultuous waters of sisterhood and shows that even very different sisters can learn to help each other stay afloat.

Now high school juniors, Zoe, Maddie, and Angela continue to share "instant messages" with one another as one of them experiments with marijuana, another gets her first boyfriend, and the third moves three thousand miles away.

Throughout their senior year in high school, Zoe, Maddie, and Angela continue to share "instant messages" with one another about their day-to-day experiences as they consider college, sex, the importance of prom, and the inevitable end of their inseparable trio.

From the author of the break-out hit *ttyl*, a dark and utterly readable take on the hierarchy of high school girls. There are *Gossip Girls* and *Mean Girls* but no one has come as close to the dark heart of high-school girl politics as Lauren Myracle does in this shivery smart, wonderfully strange story of a high school where popularity can be stolen. No one notices Jane—not the jocks, the stoners, the debaters, the drama geeks, the cheerleaders, and especially not the Bitches, the school royalty made up of one girl from each class who's

## Read Online Yolo Internet 4 Lauren Myracle

so transcendently beautiful and fascinating that no one can help but worship her. Imagine Jane's surprise when the Bitches approach her to be their freshman member. She wants this kind of popularity more than anything, but when she discovers the sinister secret of the Bitches' power, she's forced to make the toughest choice of her life. This savagely funny book will be the talk of the season. F&P level: Z+

It's time for a new generation of readers to discover the phenomenally bestselling and beloved series, told entirely in messages and texts. With a fresh look and updated cultural references, the notorious list-topping series is ready for the iPhone generation. First published in 2004 (holy moly!), *ttyl* and its sequels follow the ups and downs of high school for the winsome threesome, three very different but very close friends: wild Maddie (mad maddie), bubbly Angela (SnowAngel), and reserved Zoe (zoegirl). Through teacher crushes, cross-country moves, bossy Queen Bees, incriminating party pics, and other bumps along the way, author Lauren Myracle explores the many potholes of teenagedom with the unflinching honesty and pitch-perfect humor that made this series a staple of young adult literature.

For as long as she can remember, Wren Gray's goal has been to please

## Read Online Yolo Internet 4 Lauren Myracle

her parents. But as high school graduation nears, so does an uncomfortable realization: Pleasing her parents once overlapped with pleasing herself, but now . . . not so much. Wren needs to honor her own desires, but how can she if she doesn't even know what they are? Charlie Parker, on the other hand, is painfully aware of his heart's desire. A gentle boy with a troubled past, Charlie has loved Wren since the day he first saw her. But a girl like Wren would never fall for a guy like Charlie—at least not the sort of guy Charlie believes himself to be. And yet certain things are written in the stars. And in the summer after high school, Wren and Charlie's souls will collide. But souls are complicated, as are the bodies that house them . . . Sexy, romantic, and oh-so-true to life, this is an unforgettable look at first love from one of young adult fiction's greatest writers. Praise for *The Infinite Moment of Us* **STARRED REVIEW** "The scenes of sexual intimacy are described with innocently erotic frankness, offering an ideal (if not idealized) model for readers on the cusp; this is *Forever...* for a new generation, offering character depth Cath and Michael never achieved. Summer love has never been so good." —Kirkus Reviews, starred review "In contrast to unhealthy depictions of sex and relationships that teenagers (and adults) are often exposed to in media and entertainment, Myracle offers up a passionate romance built on a bedrock of love, respect, and trust.

And it's difficult to see that as a bad thing." –Publishers Weekly  
"Two mature recent high school graduates fall in love and bring out the best in each other in Lauren Myracle's thoughtful exploration of an intimate relationship...the relationship between Wren and Charlie always remains realistic and involving." –Shelf Awareness "This charming romance has multidimensional characters, straightforward sexuality, and a pace that lets readers fall in love with the main characters. Myracle expertly captures the intense connection of first love, from the need to spend every moment together to trying to figure out how to communicate with one another." –School Library Journal "The single-focus intensity of Wren and Charlie's feelings is spot-on for the age group... chapters move between both their perspectives as they grow into the relationship, offering readers of both sexes a rather compelling example of the how-to's of intimacy." –The Bulletin of The Center for Children's Books

Lauren Myracle brings her signature frank, funny, and insightful writing to this novel of a teenage boy's coming-of-age. Paul Walden is not an alpha lobster, the hypermasculine crustacean king who intimidates the other male lobsters, beds all the lady lobsters, and "wins" at life. At least not according to the ego-bursting feedback he's given in his freshman seminar. But Paul finds a funny, faithful

## Read Online Yolo Internet 4 Lauren Myracle

friend in Roby Smalls, and maybe – oh god, please – he’s beginning to catch the interest of smart, beautiful Natalia Gutierrez. Cruising through high school as a sauced-out, rap-loving beta lobster suits Paul fine, and if life ever gets him down? Smoke a little weed, crunch a few pills . . . it’s all good. But in the treacherous currents of teenage culture, it’s easy to get pulled under. With perfect frankness, Lauren Myracle lays bare the life of one boy as he navigates friendship, love, loss, and addiction. It’s life at its most ordinary and most unforgettable.

Winnie Perry is a teenager—at last! And it’s a really big deal. A ginormous deal, that, wouldn’t you know it, brings ginormous problems along with it. Winnie’s bff #1 is growing up too slowly, while her bff #2 is growing up too fast, leaving Winnie stuck in the middle. Winnie’s boyfriend, Lars, is fabulous—except when he’s not. And as for Winnie’s family, well, big changes are in the air! Beloved author Lauren Myracle returns with first kisses and near misses for everyone’s favorite birthday girl.
